

The Almighty Dragon General Chapter 956

After thinking about it for a while, Thea said, "Don't worry about it for the time being. Eternity should continue its operations as usual. I doubt Centennial Corporation will cause a storm big enough to overthrow all of us in Cansington."

James looked at Thea in surprise.

Thea's face hardened.

"What exactly has happened?" she asked after giving a moment to Lex to compose himself.

Lex took a deep breath and explained, "Universal Hospital has stirred up trouble again."
