

Mates with Alpha Maddox Chapter 19

“Carson, I told him that we broke up and the reasons why we did, he is my boyfriend now and I don’t want to hide anything from him” I tell Carson softly.

“Too late for that” Maddox mumbles making me sigh.

“Foods here” the cheerful waitress says as she starts setting out plates in front of us.

“Anything else?” She asks oblivious to the tension in the table, she tries to get Maddox attention but he is too mad to notice.

The waitress puts her hand on Maddox shoulder “Do you want something handsome?”

“No! I don’t fucking want anything and be professional, stop trying to get me to notice you. I don’t want you” Maddox growls making her flinch.

“I am sorry” she mumbles and runs off with tears in her eyes.

“Stop being such a mad-ox, you made the poor girl cry” Nikki says frowning and Ellie nods in agreement.

(A/N thanks for the idea of the mad-ox thing @rose-jacky)

“I think she deserved it” I say shrugging and Ellie rolls her eyes.

“Of course you think that, you’ve been wanting to snap at the girl since you first saw her” she says with a smirk.

“I did not” I mumble.

We finish our food in awkward silence, Nikki and Ellie try to make conversation here and there but failing miserably.

Another waiter who was a male came.

As soon as I saw him I knew he was a werewolf, he has the distinct smell that all the werewolves have.

“Good evening, ms. karla wasn’t feeling very well so I will be taking the rest of your orders, are you guys having some dessert?” He asks politely and bowing his head slightly.

“No, thank you” I say quickly, I can’t handle any more awkwardness.

“The check please” Maddox says.

"I'll be right back"

He comes back with the check and puts it on the table, both Carson and Maddox reach for the check but Maddox is faster and takes it.

"I am paying" Carson says through gritted teeth.

"I am" Maddox says looking at the check then puts it on the table and getting his wallet out.

Carson quickly looks over the check and takes his wallet out.

They both hand the money to the waiter at the same time.

"Umm who is paying?" The waiter asks looking helpless.

"I am" Maddox and Carson say in unison then glare at each other.

Maddox then looks at the waiter and using his Alpha command says "I am paying" the waiter quickly takes his money and scurries off making Maddox smirk and Nikki roll her eyes.

We all walk out and Carson says a quick goodbye, he seemed pissed and stormed off to his car.

I decide on riding with Maddox since we have a lot to talk about and he won't want to talk about it later.

After 5 minutes of silence, I finally speak up.

"Maddox I am sorry for not telling you but I didn't want to hurt Carson's feelings and I knew you weren't going to be happy if I saw him again so that's why I didn't tell you" I say all in one breath.

His grip on the steering wheel tightens until his knuckles turn white.

"You are not sorry since you still did it even though you knew I wouldn't like it" he says through gritted teeth.

"It's not like that" I mumble making him scoff.

"How is it then? Huh, explain to me? You wanted to make a fucking fool out of me" he snaps angrily and I whimper. His face softens but he then shakes his head and ignores me the rest of the ride.

When finally get home he doesn't wait for me. He slams the car door shut and shifts into his black wolf.

I walk towards our house with tears in my eyes. After a shower full of sobbing I lay down on our bed and start thinking of how I will fix everything
