

Mates with Alpha Maddox Chapter 21

Jayda's POV

I wake up with Maddox arms wrapped around me and freeze.

Am I dreaming? Last thing I remember is that Maddox was extremely mad at me.

I feel him move and freeze, if he wakes up he will probably be mad at me. I decide on being selfish and stay in his arms for a for a little while.

Sadly a few minutes later he wakes up and unwraps his arms from around me.

I keep my eyes closed while walks around the room probably getting ready. After I don't know how long he stands beside the bed and kisses my forehead and leaves the room.

Sighing I pull the covers off of me and get out of bed, I brush my teeth and start getting dressed.

I decide on wearing black skinny jeans with a red tank top and black combat boots.

I brush my hair and put it in a lazy pony tail.

When I get to the kitchen Maddox is there finishing his Cereal, He didn't look mad so I decide to try my luck and talk to him.

"Listen, Maddox I-" I start but he cuts me off.

"I need to do some pack stuff today, if you need anything then just call Luke or something" Maddox says quickly putting his bowl in the sink and leaving the house.

Wow, he is avoiding me now? I kind of prefer him screaming at me.

I wasn't really hungry so I go to the pantry and take a granola bar and exit the house.

I start walking around the village and end up in a kids park, I sit in one of the swings and get lost in my thoughts until a voice interrupts me.

"Are you okay?" I look to my left and there is a kid that looks no older than 10 sitting on another swing and looking at me expectantly. He had brown hair and big blue eyes that looked like mine.

"Me? Ummm yeah I am okay, just a little bored" I lie, there isn't really any need to tell a little kid of my problems.

“Really?, want to play so you can stop being bored?” The kid asks excitedly with a face splitting grin.

I smile, I feel some sort of connection with this boy, and he looks really familiar.

“I would love to play with you, what is your name?” I ask him.

“My name is Jayson Donovan, I will be the future Beta when I grow up” he says proudly and I instantly pale.

Donovan? Future Beta? Does that mean that he is my brother?

“Just to make sure, are you Beta Leonardo’s son?” I ask slowly.

“Yup” Jayson says distractedly while looking for a baseball.

So he is my brother? Does he know?

“Do you know who I am?” I ask while studying his face.

“Of course I do, Alpha told everyone” he says shrugging.

“Why didn’t Maddox tell me?” I mutter frowning.

“Because you already know you are Luna, silly” he says with a giggle.

So he doesn’t know I am his sister? Why didn’t they tell me?

I frown and was about to ask another question when he interrupted me.

“Are we going to play?” He whines.

“Okay, but one last question. How old are you?” I ask with a smile.

“I am 9, now lets play ball” Jayson says.

drags me to a less crowded place so we don’t accidentally hit someone in the head with the baseball.

We keep playing different games for about 2 hours until we are both exhausted.

“Do you have any brothers or sisters?” I ask him, if I had any other siblings I wanted to meet them.

“Nope, I am an only child” he says with a frown.

We stay quiet for a while until I see Maddox walking through the village.

“Hey Jayson, I’ll see you soon. I have to go talk to Maddox” I say giving him a quick hug before leaving.

“Maddox! i need to talk to you!” I whisper yell while running towards him.

“Just the mate I was looking for, we gotta go” Maddox says grabbing my hand and starts dragging me to his truck.

“What? Where are we going?” I ask quickly.

He smiles “You’ll see”

“But-” I start but Maddox cuts me off with a stern look.

“Fine” I mumble and walk with him.

When we get to the truck I turn towards him. “Where are we going?”

He looks at me straight in the eye and says “You talk to much” with that he jumps in truck.

I open the passengers door and get in.

“What? I do not talk too much Maddox” I say, slightly offended that he would say that

“Keep telling yourself that babe” Maddox says while tapping the steering wheel cheerfully.

I don’t get it, Why is he in such a good mood? Just yesterday he was yelling at me.

“I think you are bipolar” I say with a serious face.

Maddox glances at me from the corner of his eye and bursts out laughing.

“Of course not Jayda” he says rolling his eyes.

“Sure looks like it” I mumble but he just ignores me with a smile on his handsome face.

After 15 minutes if silence I ask “Why didn’t you tell me I have a little brother?”

He looks at me from the corner of his eye and sighs.

“I didn’t know how you were going to take it, you showed a lot of hostility towards your father and I didn’t want Jayson to have to go through that” he explains calmly.

“Wow, you actually thought I would act like that with my brother?” I ask in outrage.

He shrugs.

“For your information Maddox, I act like that with Leonardo because he deserves it. Jayson on the other hand doesn’t, I would never treat Him badly because of our dad’s poor decision to woo my mom and then leave her” I say glaring at him.

“Jayda, please lets not fight about this, I should’ve told you but it wasn’t my place to tell. Its Leonardo’s and Karen’s decision” Maddox says.

I stay quiet for the rest of the ride until we come to a stop, I look around and we are parked in a parking space of a skating ring.

“Maddox, what are we doing here?”

“We are going skating of course” he says simply while getting out of the truck.

I get out and walk beside him.

“I know, but why?”

“This is the first part of our date” Maddox says with a proud smile.
