

Maybe we just changed.  
Maybe we weren't meant to be together.  
Maybe it all ended for a reason that I will never understand.

Alex's POV

ā

"Omg it's you daddy!"-I ran towards him and hugged him so tight I thought he was going to stop breathing.

ā

"Yes mi amor it's me. Look at how beautifully you have grown. You aren't my bebe anymore"-He said hugging my tighter.

"Tell me you came for me Dad please, I can't su er anymore. I can't, please take me with mama and you!"-I said sobbing in his arms.

"No mi amor. It's not your time yet. You were created to achieve many important things. Now come there's someone I want you to meet"-

He said letting me go and holding my hand.

We walked towards the light. As we got closer I realized it was a glass door. My father opened it and it lead us to an all white room. A beautiful woman with long white hair, and gray eyes just like mine stood infront of us.

"Hello my dear. I'm happy I finally get to meet you"- The beautiful lady said.

"Are you..."- I couldn't even finish I was beyond shocked.

"Selene? Yes in the flesh"

ā

"Oh dear moon goddess... wait, I just said that and your infront of me... this is so mind blowing!"-She chuckled.

"So you finally rejected Archer"-She said raising her brow.

"Yes... why would you pair me with him if your purpose was for me to reject him?"-I said with a little bit of anger in my tone.

"You needed a little push to get out of Golden Moon, plus you both needed to learn a lesson and you both did, don't worry he will get his second chance, I have someone very special for him."-She winked at me.

ā

"Are you serious!?"

"Yes... you learned your true value, you learned how to love yourself, you learned how to become a strong female Alpha"

ā

"Am I getting a second chance?"- She didn't even respond! She only smiled. What is that supposed to mean!

ā

"He didn't accept my rejection I can still feel the bond to him"

"I know but he will... if not it will be broken by the next full moon"

"That's like 12 days away"

"What about Luke? I am sure I felt a pull towards him"- I asked demanding answers. My life has been hell I deserve to know.

"Oh, that was just you liking him and being horny"-She said like it was nothing and my faced turned into a tomato.

ā

"Did you know he was going to mark me?"

"So many questions..."-She let out a small laugh."I did not know he was going to mark you, but it was his time to meet his mate. He has a good soul Alex, maybe give him a second chance as your friend some time in the future"- It was my turn to not reply.

ā

"What am I doing here?"

"I brought you here to tell you, you need to prepare Alex something big is coming and you need to be strong to face the storm. You need to harness all your powers and there is someone who will help you really soon."

ā

"How?"

"This is were I answer your question about your second mate. You will find him soon Alex, to obtain your full strength and harness your full powers he has to mark you"

ā

"Oh fuck no"

ā

"Language bebe"-My father said.

ā

"Now I really think I'm cursed"

ā

"Like a said little one. You have a bigger purpose. You are not cursed, this is just your destiny."- I hummed in response.

ā

"It's time to go back little Selene"-She said giggling and I then realized we were very similar.

ā

"Be brave bebe. Be strong. Mama and I love you so much never forget that"

ā

"No daddy please! I don't want to go, I don't want to leave you again"-I said with tears rolling down my face.

"I will always be right here mi amor"-He said pointing to my heart and then I woke up...

ā

"Dad no!"-I said sitting abruptly.

"Oh my Goddess Alex you finally woke up!"-Steph said.

"What happened?"

"Alex you rejected Alpha Archer. You've been out for 2 days!"

ā

"That can't be! It was just an hour"

"What do you mean?"-Steph asked confused.

"Where's Archer?"

"His pack members took him... Ethan told Carlos he woke up yesterday and he said he dramatically changed. We thought a er you rejected him and he woke up he would start a war between us but he didn't. Ethan said he asked for you this morning Alex, I think he needs to talk to you"-She said so ly trying to not get a bad reaction from me.

ā

"I will call him soon"- I wonder if Selene visited him like she did with me. She must have if they say he dramatically changed.

ā

"Oh my God Alex! I thought you were never gonna wake up! I hate being Alpha, don't ever knock out for that long again I don't like taking your place!"-Mark said when he walked in the room. I burst out laughing.

ā

"What? You thought it was unicorns and rainbows?"

ā

"I thought Alphas were lazy but all the paperwork in you o ice made me shut my mouth!"-Mark said chuckling.

ā

"I'll maybe go to sleep another 2 days now that you mentioned paperwork"

ā

"I quit I rather go rouge"-He said instantly and I laughed even harder.

ā

"You're stupid"-I said laughing.

"Les, James, and Carlos are on their way Alex. Also um Luke came earlier to check up on you but I didn't let him in"-Steph said.

ā

"Thank you. Any news from the Royals?"

ā

"Oh yes! The Kings assistant called yesterday. They are requesting your presence next Saturday. That's 7 days from today."-Mark said.

ā

"When is my life going to get easier?"-I said falling back to the pillow.

" Alex, Alpha Williams is on the line. He wants to speak to you"-James said through mind link.

Kill me now.
