

Alex's POV

Aer I almost choked to death with scrambled eggs I basically ran to my room away from Gabriel. That was the most embarrassing thing ever!

I had to call Mark to let him know Gabriel, James, and I would be arriving tomorrow. Knowing Mark how I do, he's going to freak out when I tell him about Gabriel.

Ring. Ring.

"Hello?"

"Hey, Mark! How's everything going?"-I asked.

"Hey Alex... What can I say, I haven't slept in 3 days! I have paperwork coming out of my ears!"

"So dramatic! Listen I wanted to let you know we will be arriving tomorrow"

"Oh no Alex. What did you do? Did you piss off the King? He kicked you out for sure... I knew it! Wait is James alive? Where is he? "- Marks said freaking out and I snorted.

"Mark shut up! Everything is fine. James is fine, he found his sister"

"Are you serious?!"

"Yes she works for the king. They knew my family Mark, I didn't remember any of it until I got here. Queen Stella was my mother's best friend. They treat me like family."

"Oh shit Alex now that you mention it I remember they used to visit Silver Blood with their annoying son."- He said and I laughed.

"I need you to pick us up tomorrow. I will have James let you know the time. Also, Prince Gabriel is coming with us"

"Oh no Alex, I think I'm about to faint tell me you're kidding. I once punched him when we were kids cause I thought he made you cry. Oh my goddess tell me your joking"

"Aww protecting your little Alpha"-I cooed." But I'm not joking Mark"

"I'm so dead"

"There's one more thing..."-I said.

"What could be worse than what you just told me!"

"He's my mate"

"Oh fuck no!"-He said in shock.

"Oh fuck yes... I gotta go. I'll see you tomorrow."

"If you don't find me tomorrow, don't look for me. I will be enjoying my life as a rouge"-He said and I burst out laughing.

"Okay drama queen.. See ya."

I got out of my room and followed Gabriel's scent, it led me towards the 4th floor. Hmm, I believe this is his office... I was about to knock when I heard a voice of a female really similar to the monkey from the other day.

" Oh fuck no"-Ayla said angrily.

I opened the door slowly trying not to make a noise.

"Let me show you I'm better"-The whore said while straddling Gabriel and kissing him. Gabriel turned to see me and his eyes went wide.

"What the fuck"-I said in shock. I got out and slammed the door.

"I am so fucking done! I am getting out of here right now."- I growled.

" Alex stop! Alex listen to me. He didn't do anything wrong."-Ayla said

"What the fuck are you talking about Ayla? Have you lost your mind?"-I snapped at her.

"Alex think about it. Did you feel any pain?"-She asked. I didn't.

"No"

"Then he didn't kiss her. It's obvious... Calm down. I thought I was the crazy one. The bitch is trying to take our mate from us!"

"I will fucking kill her!"

I stormed back and kicked the door open.

"You're dead"- I said in my and Ayla's voice. My anger and aura radiating dangerously. Gabriel pushed her off of him and she turned to look at me.

"What the fuck are you doing here you freak"-She snarled.

"I came back to kill you"-I smirked.

"I will fucking kill you for trying to take Gabriel away from me!"-She pathetically yelled and that angered me more.

"HE'S MINE!"

I launched at her taking her by surprise. I grabbed her by the throat and punched her so hard, again and again, and again, I'm sure I broke her nose. I slammed my knee to her stomach twice as hard as I could. She dropped to the floor with blood coming out of her nose and lips. I flipped her on the floor and got on top of her. I slammed her head on the floor repeatedly. She was crying and whimpering. What a pathetic bitch, can't even fight herself out of a paper bag.

"DON'T"*Slam*

"EVER"*Slam*

"TOUCH"*Slam*

"MY"*Slam*

"MATE"*MEGA SLAM*

A/N: I'm sorry I thought that was funny. bahaha

I was going to keep punching her. Ayla kept chanting in my head 'kill her'. But 2 strong arms pulled me away.

"Alex that's enough. Calm down you are going to kill her"- Gabriel said holding me tight.

"That's exactly what I'm doing! Let me fucking go!"- I trashed against him.

A tall blond guy with blue eyes came in running.

"Holy shit!"- He said.

"Andrew take Olivia out of here now! I won't be able to hold her any longer"-Gabriel yelled and this Andrew guy quickly picked her up and ran out.

"NO! Bring that whore back I wasn't done!"-I snarled. Gabriel spun me around and placed my head against his chest making me inhale his scent.

"Alex calm down. She got the memo."

"She tried to kiss you and she was touching you"- I snarled, I was heaving and he chuckled! Oh hell no!

"Do not laugh! I will kick your ass too! I don't want to see her near you ever again because next time I will kill her"-I growled.

"Is my little mate jealous?"-He asked cupping my face in his hands.

"What kind of questions is that?! SHUT UP BEFORE I CHOKE YOU TO DEATH"-I was fuming! I was beyond jealous!

"You don't understand how much you turn me on"- He said and slammed his lips against mine, the fuck? I just threatened to kill him and that turned him on? I was frozen for a moment but a er a er sec I kissed him back.

His kiss was heavy and frantic. He was driving all of my senses crazy. He placed his hands right below my butt to li me and sit me on his desk making me gasp at his action. He took the chance and slipped his tongue inside my mouth. The sensuality of our kiss was incomparable. Ayla was going crazy telling me to mark him.

I felt Gabriel Jr poking my leg and I broke the kiss. My first time will definitely not be on a desk.

"That was... amazing"-Gabriel said panting heavily.

"Definitely"- I said trying to control my breathing. I opened my eyes and his eyes were pitch-black in lust.

"Your eyes are black"-Gabriel said.

"I need a cold shower. I will see you later!"-I hopped off of the desk pushing him away and ran out of his office.
