Alex's POV

I woke up in the same dark place with a light far away...

Please not again!

"We should build a house here"-Ayla said sarcastically and I laughed¹⁷

"What do you think she wants now?"-I asked her.

"I don't know"-She said.

I walked towards the light and opened the door to the white room I had been the past 2 times.

"Hello little Selene."

"Okay, what's next? just say it."-I said annoyed.

"What do you mean?"-Selene asked.

"You always come to me when something is about to happen super great-grandma"-I said and she giggled. ^a

"Well, I just wanted to say thank you Alex, for setting my daughter free. I hope one day she can tell you our story."-She said. ^a

"I have to thank her, without her help I would have never learned how to harness my powers, and we would have never made it out of that place."

"She's going to need a friend out there, please don't leave her all alone."-Selene said sadly.

"We are family, we are Silver's"-I said giving her a small smile.

"When you wake up Alex I need you to be brave, I need you to be strong."-Selene said. ^a

"I knew there was a catch!"-I glared at her."What is it?"

"Time to wake up." ^a

I slowly opened my eyes. The light was making it almost impossible for me to see. As my eyes adjusted to the light in the room I saw Gabriel and his father talking. My heart started beating fast. Did he already know about our baby? Most definitely he did.

"As soon as she wakes up we are leaving"-Gabriel said

"I know Gabriel. But you can't tell her we have them in the dungeons, it's too soon and she's pregnant all this stress can affect her and the pups."

"PUPS!?"-I said in shock while I sat straight up.

"Oh Alex, I'm so happy you finally woke up! Stella is not going to believe this! I'm going to go get her!"-Stefan said rushing out of the room

"Alex"-Gabriel said rushing to me wrapping his arms around me.

"What do you mean by pups!?"-I said.

"Alex we are having twins"-Gabriel said cupping my face.

Oh my poor cookie! ^{a³}

"Gabriel you impregnated me with twins you idiot!?"-I yelled. ^{a²}

"Isn't that amazing? Two little pups running around the palace!"- Gabriel said. ^a

"Amazing?! Gabriel my poor little thing will not take birthing two pups! You are a damn royal these kids will be huge! A er I give birth I want Gabriel Jr far away as possible"-I said in panic, having kids had always been scary for me. I remember once I tried to watch a video about birth on YouTube and I almost had a panic attack! ^{a⁶}

"You don't mean that love"-He said smirking.

"Okay maybe I don't but no more kids Gabriel, I mean it!"-I said seriously and he gave me a scary smirk.

"I can already see us pregnant in the future"-Ayla said drooling. ^a

"I'm just happy we are together again love. Those 5 weeks you were gone almost killed me. I don't want to be without you ever again. You can't imagine how horrible life is without you"-Gabriel said.

"I can because I felt the exact same way without you. When I found out I was pregnant I was scared Gabriel, I was scared because I thought we weren't gonna make it out alive."-I said, I felt tears threatening to fall.

"Hey it's going to be okay love, you're here with me now. You are a strong woman Alex, you made it out all by yourself, I am so proud of you!"-Gabriel said and kissed me.

"Where is everyone? and Leslie? How is she? Where's Aadhira!?"-I said freaking out.

"Calm down Alex. Leslie and her pup are okay, they are all stopping by later and Aadhira went to find some Vampires... Alex, Archer is Aadhira's mate"- Gabriel said and my jaw dropped to the floor. ^a

"Oh my Goddess! Her mother just did her dirty, very dirty! How is she taking it?"-I asked ^{a²}

"Well, she's giving him a very hard time. She didn't reject him but he's making him work for it"-Gabriel said and I laughed. ^{a⁵}

"Hello little pups. Daddy loves you both so much"- Gabriel said leaning down and placing a kiss on my little bump, and I felt small kicks, I flinched at the feeling. Gabriel's eyes widen. ^a

"Did they just kick?"-He asked in shock and I nodded. ^a

"I think they said love you too"

"Oh my goddess! My little Alex you're okay. Does anything hurt? Are the babies okay?"-Stella stormed into the room without knocking. ^a

"Im perfectly fine, there's nothing to worry about. The little jumping beans are fine"-I said. They kept moving and kicking. I wonder what they are?... I wonder how far along am I? ^a

We chatted a little and she left to find Stefan, seems like they were having some problems back in the Palace...

Knock. Knock.

"Come in"-Gabriel said laying beside me and Mark, Leslie, James, Steph, Luke, and Laura came in, one after the other.

"Hey there mommy to be"-Luke said giving me a dozen of red roses and I smiled.

"Thanks, Luke"

"How are you feeling Alex?"-Mark asked.

"I'm good. Leslie, how are you?"

She walked towards the side of the bed and hugged me.

"I'm so sorry Alex, I'm so sorry. I will never forgive myself!"-She said sobbing. I pushed her gently to hold her hands. ^a

"It wasn't your fault Leslie, do not blame yourself. If I had to, I would do it again. You are my family"-I said looking at her.

"I would have done it for any of you without a doubt. Thanks to you all, I am the person I am today. You all had seen me at my lowest and helped me climb to my highest. I owe you guys so much. I love you all, I could never be grateful enough."-I said looking at them and Gabriel.

"Are you crying?"-James asked Mark. ^{a⁰}

"No!"-He growled.

"We all love you Alex. You think we saved you, but you saved all of us."-Steph came towards me and hugged me, she smelled different. Wait! ^a

"Steph your pregnant too!"-I said through mind-link. ^a

"I am. Don't say anything, no one knows yet. How can you tell so quickly? I just found out yesterday morning"-She asked.

"I just know"-I said and felt one of my babies kick. What was that?! ^{a⁸}

"Steph's right Alex. You gave us a home!"-James said.

"You gave us a family"-Luke finished.

"You will always be our little Alpha, my little sister"-Mark said and came over and hugged me. ^a

"Stop it! You're going to make me cry!"-I said pushing him.

They stayed for a little, they made me tell them how we escaped even though Aadhira had already told them everything. A er a while, they left.

"We are finally alone"-I sighed and Gabriel wrapped his arms around me.

"Do you want to pick baby names?"-Gabriel asked.

"We don't know what they are yet"-I said.

"Do you want me to call the doctor and ask him if he can check?"- Gabriel asked excitedly. ^a

"Oh my God yes!" ^a

We will find out what my two little pups are... ^{a⁵}
