

## Alex's POV

I walked around Alder thinking what to do to him, so many things I can do to him... My mind was full of evil thoughts that if anyone could take a look they would have freaked and thought I was a psychopath, the memories of my father dying flashed through me. a

Alder growled loudly breaking me out of the deep thoughts.

"Don't fucking growl at me you fucking chihuahua"-I growled back and slapped him as hard as I could. a°

"You are as stupid as your parents"-Alder said laughing. I quickly got in front of him and gripped his throat choking him.

"Do not mention my parents you fucking son of a bitch"-I snarled. He kept trying to get out of my hold but his strength was nothing compared to mine.

"You're weak and pathetic"-He said barely sounding like a whisper.

"You know what's pathetic Alder? That you wanted me so bad you even killed my parents but you can't even handle me. You are stupid enough that you couldn't even catch a 10-year-old. Your brain is the size of a bean."-I said chuckling and he growled, I slapped him again. a

"I will make your death painful and slow"-I said and grabbed the fingers of his both hands and snapped them back breaking all of them.

"Fuck you!"-He growled in pain.

"My man does that"-I said laughing. a°

"That's exactly what I did to your mother before I killed her"-He said laughing and I felt like someone ripped my heart out of me. He raped my mother. I stood there frozen to my spot. I could hear Gabriel and them growling. a

I felt a strong bolt of power through all my body. I felt my dark side consume me completely.

"You know what to do Alex"-Ayla said.

"Of course I do Ayla. Let's fucking do it."-I said a

"Release him"-I commanded.

"Alex that's not"-Gabriel tried to argue but I was madly infuriated.

"I SAID RELEASE HIM!"-I roared and I saw them flinch. I had never felt my aura this strong. James unchained him and the fucker tried to launch at me.

"Not so fast you fucking mutt"-I said lifting my hand and immobilizing him.

"What are you fucking doing to me?"-Alder yelled.

"SUBMIT"-I roared, and his eyes widen in shock. He was trying so hard to stopping himself from submitting.

"I SAID SUBMIT TO YOUR QUEEN! GET ON YOUR FUCKING KNEES"-I roared and he dropped to his knees and submitted. I turned to look at everyone and they were all submitting, Gabriel's eyes were wide in shock he was also submitting. What the hell! a°

"How fucking pathetic."-I growled looking at Alder.

"Hang him"-I commanded, my voice sounded animalistic it was so much stronger than my Alpha tone. The guard and James quickly lifted his arms up and hanged him with a silver chain. a

"I remember exactly how my father was injured by you... and that's exactly what I am going to do to you. Heat the silver knife and hand it to me James"-I said. He did as I told him. him a

"You're fucking crazy"-Alder said in shock. a

"Thank you"-I said smiling evilly. James came to me and handed me the knife.

"He had 3 claw marks on his chest"-I said and I slowly started cutting his chest. His screams were like music to my ears. When I finished he was bleeding badly and was dying. I was covered in blood by now.

"Let's do it again"-Ayla said with an evil laugh. a

"Oh I think I did them all wrong... let me heal you and do it again"-I said smirking. His eyes were wide in shock. a

I placed my hand on his chest and healed him, the smirk never left my face.

"I feel sorry for you man"-James told Gabriel. a

"I think I need to puke"-Steph said and John opened the door and lead her to the bathroom. a

"If any of you feel uncomfortable you can leave"-I said coldly.

"I'm not leaving Alex... I'm enjoying this side of you"-Gabriel said smirking. a°

"Have I said how proud I am of the monster I helped create"-James said and I laughed. a

"Okay, back to where I was"-I said facing the mutt that was hanging his head in defeat.

"What's wrong doggy? This is just the beginning"-I said in a taunting voice. I started cutting him again and he kept screaming.

"You are a fucking whore! I will kill you!"-He said and kept screaming.

I grabbed a pair of clamps and forced them in his mouth to pull his tongue out and cut it. He screamed even louder but at least he couldn't talk anymore. a°

"Shut the fuck up will ya, you're giving me a headache"-I snarled.

"James pull his pants down"-I said and James' eyes went wide in shock, he knew exactly what I was about to do. Gabriel was staring at me in disbelief. a°

"Alex..."-James tried to say something but I didn't let him a

"Pull down his pants"-I commanded.

James walked towards Alder and did what I said.

"A shrimp is bigger than that"-I taunted. He kept groaning and trying to talk but it was impossible. a°

"Now I will make you pay for what you did to my mother"-I growled. I walked towards the table and grabbed a machete. Alder kept screaming in pain and panic. a

I walked slowly towards him laughing evilly. I swing the machete and cut his dick off, blood dripping everywhere. He was on the verge of death. a°

"I hope you rot in hell fucking bastard"-I growled.

"Cut the video James"-I said. a

"Let him bleed to death and burn his fucking body after. Send his ashes and a copy of the video James took to his filthy pack of mutts."-I commanded the guards. a

I stormed out of the cells and ran outside of the prison. I could hear Gabriel and James screaming my name.

As soon as I got out I ran towards the forest and shifted into Ayla.

"Let me take over Alex, have some rest okay?"-Ayla said worried and I gave her control I could sense Gabriel near but I couldn't think, the only thing in my mind was the night that I lost my parents.

"Ayla? Alex?"-Alexander mind linked us. His wolf was white as snow. I had never seen fur like his. His eyes were glowing and looked as beautiful as always.

"Yes?"-Ayla said.

"I'm right behind you can you please stop a little? I'm not as fast as you are."-Alexander said and Ayla slowed down. a

"Follow me, I know a place where we can go."-Alexander said and started running east. After a few minutes, we arrived at a beautiful lake. a

Ayla laid down in the grass, resting her head between her paws and Alexander walked to her and laid beside her resting his head over Ayla's shoulder blades.

"We are so proud of both of you."-Alexander said.

"Thank you"

"I love you both so much, always and forever"-Alexander said. a°

"We love you both so much too"
