40-Extra Chapter.

Alex's POV

"Because you are all amazing you all deserve an extra chapter"

"Ma I'm going out with Alex"-Nik said.

"Nik I know you are already 16 and you want to start knowing people and having fun and whatnot, but you and Alex are taking things way too seriously. What if she's not your mate?"-I asked him.

"I don't want anyone else mother! I love her, I don't want anyone else as a mate."

"Nik you don't mean that. You should wait until you're 18"-I said

"I do and if I get another mate that's not her I will reject her!"-He exclaimed.

"ENOUGH!"-I yelled."You will not do such thing! You don't know what you are saying Nikolai! Rejecting your mate leads you to the worst pain you will ever experience and I have told you that."-I said angrily and I heard him growl.

"OH HELL NO! Let me kick his ass"-Ayla said.

"DO NOT FUCKING GROWL AT ME YOU BRAINLESS BRAT!"-I yelled.

"I'm sorry mother"-He said lowering his head.

"You better be... little shit"-Ayla said.

"I don't want to hear you say that again Nik, I mean it. Wait until you're 18, if Alex is your mate then go ahead and complete the mating process but if she's not I want you to stay away from her. It's for the best Nik, she will have a mate somewhere waiting for her."

"Yes mother"-He sighed.

"Okay you can go now..."-I said and he le .

"He's very convinced that Alex is his mate"-Ayla said.

"I know... They are very close but what if she's not Ayla? I'm scared that he will reject his mate for her. I would love for her to be his mate, you know how much I love her but I don't want Nik making the wrong decision"-I said.

"Why don't you talk with Mark about it?"

"I think I will... Let's hope he doesn't freak out"-I said.

I walked to my desk and picked up my phone to dial Mark's number.

"Alex?"-Mark said.

"Hey Mark!"

"What did you do now? The last time you called me was to tell me you burned the kitchen trying to make pasta"-He said.

"Mark will you ever forget about that?"-I said and he laughed.

"Not my fault that the Queen is dumb and can't cook"-He said laughing.

"I say we orb and kick his ass"-Ayla said and I smiled evilly.

"Repeat that"-I said from behind him.

"HOLY MOTHER FUCKING SHIT"-Mark yelled while he jumped.

"The Queen is what?"-I asked li ing a brow and placing my hands on my hips.

"The Queen is amazing and and and sooo kind and smart"-He said nervously and I burst out laughing.

"Dumb shit"-I said.

"What are you doing here?"-Mark asked.

"I wanted to talk to you about..."

"Alex and Nik"-He finished.

"Yeah"

"I know... I was planning to give you a call later today"-He said.

"It's getting out of hand Mark... Nik even said he would reject his mate for Alex. I would be the happiest if she ends up being his mate but we can't let them do that"-I said.

"I know, she told me the same thing. But I don't know what to do Alex, Les, and I have tried to talk to her but she refuses to stop seeing Nik."

"We have to try before they do something they will regret Mark. We need to keep them apart until they are 18, I will have James suppress Nik's powers so he can't orb here anymore."-I said.

"I will confiscate her passport and talk to Leslie about it"-He said.

The door burst open and David and Eric ran into me.

"Aunty Alex!"-They both yelled

"Little devils! You both are huge and handsome"-I said.

"I'm older so I'm taller"-David said.

"By a minute Dave! That doesn't mean you are bigger!"-Erick exclaimed and Mark laughed.

"DEVILS"-Luke came in.

"What did you guys do?"-I whispered.

"We might have dropped dad's motorcycle when we were playing"-David said.

"But it was an accident we swear!"-Eric said

"I will kick both of your asses!"-Luke said.

"Excuse me!"-I snapped at him.

"Ooohhh, hey Alex"-He said smiling innocently.

"They are very sorry for what they did. Right boys?"-I asked and they nodded.

"I will orb back and kick your ass if you dare to punish them Luke"-I said and he glared at me.

"Okay it was nice seeing you both"-I said.

"Take care little Alpha"-Mark said.

"Mark I'm 37!"

"So?"-He glared at me and Luke laughed.

I shook my head and orb back to the Palace.

"Alex where were you?"-Gabriel asked worriedly.

"I went to Moonlight"-I said.

"Why?"-He asked and I told him what had happened with Nik and that I had to talk to Mark about it.

"I agree... We should have James suppress his powers"-Gabriel said.

"Yeah I will talk to him later."-I said

"I will talk to him Alex, I need to talk to him about Logan"-He said.

"Why? What happened?"-I asked confused.

"Alex I found them..."-He said and I li ed a brow.

"I found them holding hands"-He said and I laughed so hard I felt I was going to pee on myself.

"Gabriel you are overreacting! They are mates... They both have agreed to wait until they both turn 18, we have had this talk before. Stop being so dramatic"-I said.

"I thought I was the dramatic one"-Ayla said.

"But Alex she's my little girl! Can't they wait and not see each other until they are like... 35 or something."-He said and I laughed again.

"You will leave them alone... They are not doing anything wrong. Did you saw them kissing? No. Did you catch them doing other things? No. Stop being a drama Queen"-I said.

"Fine"-He said crossing his arms over his chest angrily.

"Daddy?"-Evie said while she opened the door slowly.

"Yes princess"- Gabriel said and I saw his eyes so en and his whole expression changed.

"Are you mad at me?"- She asked.

"Of course I'm not"-He said. Bipolar idiot.

"I will go find Blake... and Gabriel think about what I said."

"Bye mama"-Evie said and hugged me.

"Bye bebe, I love you"-I mumbled.

I walked out and started looking for Blake when I bumped into James.

"Oh my goddess you scared me!"-James said holding his chest and I chuckled.

"Have you seen Blake?"-I asked.

"He's outside playing with Casey and the cats"-He said.

"Thanks pussy cat"-I said and walked away before he said anything else.

I walked to the garden and saw Blake and Casey playing and giggling with a kitten.

Who would have thought that I went from a badass Alpha to a full-time mom... I wouldn't change any of it.

"Mommy!"-Blake said when he spotted me.

"Hey little bebe"-I said.

"Hey Aunty Alex"-Casey said.

"Hello there beautiful what are you guys doing?"

"Playing"-They both said at the same time.

"Can you tell us a story Aunt Alex?"-Casey asked.

"Yes! Please tell us again how you meet our uncles and aunts and how you became Alpha Alex Moon mommy?"-Blake asked and I smiled...

Here we go again...

They are all parents on full time! - C
