“It seems the witch's mind was from the past. She can't identify the past and the present. Maybe that's what she meant by a child's witch” Clona exclaimed as she talked about what the witch said earlier.

“She's talking nonsense. She still thinks that we are in the past” the old man said as he tried to walk backward.

The witch's hair suddenly turns a golden color. Dorothy's eyes raised and mumbled ;A golden hair with silk hair. Why is she still alive? I thought all of them were gone! .

The old man werewolf breaths for a while and continue "With that, they pledge loyalty to the wolf king. Not until the golden hair witch backstab and become a traitor. It becomes a war between witches when the wolf king turns his back to the other witches. As the golden hair witch started hunting the other witch. A war that full of chaos was emerge"
