According to the myth, the witch magic or their mana was belong to the goddess Moon Luna and is said to be that the moon goddesses was favor to the wolf. During the wolf parade the witch mana will be down towards the moon and its mana will use to trigger the wolf's power “

Dorothy was still confuse. She wasn't gasp the information on her head while Ryga nod as he understood everything.

“During the wolf parade, the witch could not use their magic and that they became weak, right ?” Ryga exclaim and asked to the old man

Mr. Tom nod then say “when the witches are weak, the hunter will come and get them”

Ryga understood everything. The witches magic will be down towards the moon and their magic will be given to the wolf. Now he understood why the wolf become fearless and strongest clan of this world.

The old man opens his eyes and nods “I know” as he wants to take a rest but Ryga opens his mouth and continues asking “how did you know about her? Being an uncontrollable wolf? “

Mr. Tom looked outside the window “cause of the blood moon”. Ryga always hears the old man say ‘the blood moon say’s it’ but he doesn’t know what it means.

Mr. Tom exclaimed “maybe because of the blood line? I don’t know” he shrugs his shoulders as he doesn’t know either why he was forced to open up on the girl.

He’s not a talkative person but he can’t help but want to say something to the girl.

Dorothy was awake and listening to them as she was intrigued by what the witch woman said earlier. She intertwined her fingers and asked Mr. Tom “If the mana belonged to the goddess and directly given to the wolf, why did the witch have it? “

Mr. Tom blinked for a while and tried to think “I don’t know. I only know those stories from my late grandma”. Dorothy nodded her head as she understood. It seems that no one know what really happened during the Wolf king era.

CHAPTER 29 : An adventure plan

Clona woke up from the brightness of the sun. She looked around and saw everyone on her side, fall asleep. She yawned for a while then took a glance at Ryga.

Slowly, she pokes his cheeks and whispers his “Ryga” but he doesn’t budge. He pouts for a while and slowly walks towards Dorothy who is sleeping on the floor.

Just like Ryga, she gently pokes her cheeks and whispers her name repeatedly.

Dorothy blink for a while and look at her for a second until everything is clear out of her mind. She looked around and took a long sigh.

She yawns for a while and looks at Clona’s smiling face. She pinch her cheeks “you silly girl” while laughing.

Ryga and Mr. Tom woke up from their laughter and giggles. Both of them look at each other. Ryga stood up and bowed his head as a sign of respect to the elder.

Mr. Tom smiles and waves his hand “no need to bow your head” while looking around the ship.

The ship was sailing smoothly and the witch they encountered didn’t catch them. A lot of things happen but what they say is ‘they can’t go back’.

For the first time of their life, they set sail at the ship and travelled at the ocean. It’s their first time to set a journey in life and leave behind their continent.

Mr. Tom acted like nothing as it was not new for him. He was caught off guard by the hunters and the other wolf then sold to the witch.

Who knows how many places he travel alone.

Clona smiled then hurriedly walked towards them and asked “what should we do? “

Ryga could not utter a single word. Dorothy was at her back holding the edge of her shirt while looking at the old man.

“Well, we can’t go back to our continent and we can’t act carelessly. Who knows how many enemies are inside this ship” Mr. Tom exclaimed and look outside the window

“Is there a way to go back to our continent? “ Ryga asked the old man- Mr. Tom

“I have no idea but once we arrive at the ship’s destination. We need to get out and find an information on how to go back. I guess there’s a ship that will travel to your continent”

Clona was thinking hard and a silly idea came up in her mind. She smiled then looked at Ryga and Dorothy’s side.

Ryga have a bad feeling, before Clona can spoke he raised his hands and say “No”

Clona pouted for a while then said “bu- but it was my first time to travel alone. It is my dream to set an adventure and travel around the world” while looking at Ryga with a puppy eyes

Mr. Tom laughed at her. Ryga steps back and waves his hand while repeatedly saying “No” but Clona keeps on begging him.

“No means NO. I don’t want my father to be worried about me. We need to find a ship that will sail across our continent”

The ship they ‘re boarding won’t take a turn across their continent, instead it will go straight to its destination and stop for a while.

“then you can go alone, this is my chance to travel and set an adventure”

Ryga slammed his face with his hands and took a deep sigh. It’s no use, he can’t win with Clona’s stubbornness.

CHAPTER 30 : Adventure Begin

The ship’s siren’s call loudly heard inside and outside. They cover their ears and look at each other.

“we need to get out of this place”

Ryga silently sneaked a peek at the hole to the outside and saw a lot of people gathering from one place to another. He sharpened his ears as he tried to listen from the outside.

Clona stretched her arms and looked at the Old man Mr. Tom and asked “so, where are we going? “. Mr. Tom yawned for a while then said “this continent was next to the dark continent, how about we make this our stop and find a ship or a boat that can go to the other continent? “

She thought for a while and a silly idea came up again. “Then let’s discover the origin of our race like the wolf clan, the goddesses or the witch? “

Dorothy, who is silently listening to them nod at her idea. Well, it can’t be helped !. A curiosity strikes her, to know the origin and unquestionable stories.

“Are you an idiot? “

Clona flinched when she heard Ryga’s voice at his back. It was her first time to be called an idiot by someone.

She pouted her lips and rolled her eyes “it can’t be helped, we have no idea how to go back so how about let’s just set an adventure? “

Dorothy steps forward and nods “I agree !”. The old man Mr. Tom laughed at her “but first let’s find a place to stay”

Clona and Ryga was arguing while Dorothy was on Clona’s back trying to hide. It seems, she was used hiding her back

Mr. Tom slammed his face and mumbled ‘these kids really love to tease each other’.

He walked towards them “okay ! Stop, let’s find a place first then let’s start talk again”

Clona crossed her arms and pout. Ryga silently walked away without saying any words. Dorothy sticks out her tongue as she tries to tease Ryga.

Mr. Tom took a deep breath “let’s get out of this place, okay ? Then let’s start this conversation again”

The three of them nod and rolled their eyes. Ryga take a peek at the hole from the door and look around. ‘I guess it was safe to go out’ he mumble.

Dorothy used her magic spell to feel her surroundings while Clona, on the other side was crossing her arms and legs then mumble “but I want to have an adventure” with a saddened eyes

Ryga took a long sigh and said "I got it! let's go on an adventure you like". Clona's eyes spark and look at him with a dazzling smile.

Ryga was shocked to see her dazzling smile. He can feel his heart beating faster 'what's this feeling?' he thought.

Mr. Tom cleared his throat and suggest "let's set an adventure, the four of us. Let's have a tour of this world. Let's have a straight way without turning back" then look at Ryga "don't worry, who knows maybe we can go back on our hometown"

Ryga thought for a while 'well, it's a nice suggestion. After this continent is the dark Continent then after that continent is the moon island and we need to stop a three continent for us to go back on our hometown'

He looked at them and smiled "let's go with your idea. Let's have an adventure in this world! "

Clona clapped her hands "then it's decided, until we can make a tour of this world. We can't go behind. Let's walked straight everyone" □
