One of the men whose wearing a golden cape , forward himself " Not a golden Alpha was on this place , there's no one can support this town . I have a proposal to the people living on this place . We from the Desmond family would like to claim this town " .

All of them with an awe face , look at each other . The chief of town cough again to get the town's people attention . He clear his throat and asked " Why would the Desmond family claim this town ? " .

The town's people was fiercely looking at them and shout " this town was belong to us " . The two golden cape raised their hands to let them shut for a while as the other guy continue " You guys know what happen on this world right ? , the prophecy just announce that this world will become a battle field and only the strongest can survive . Now , how can this town will survive during the apocalypse if you're not associated to anyone ? " .

The guy have a point . With the bloody war going on , not only the pack of werewolf was fighting but also the other entities living on this world . Only the strongest will can able to survive .

The chief of town spoke as he wave his hand to shut them for a while " We the Alphec people won't submit to anyone . We want to live peacefully as we don't want to join on this war " . The second guy wearing a golden cape laugh and smirk at them " Do you think you can avoid this war ? do you think you will able to survive on this world ? With the Monsieur and Vaunticias Family's gone , do you think there's some whose suitable as Desmond family can rule this world ? " .

Clona saw her father's eyes turned red as he clench his fist hardly with the spear . She thought to herself ' why does her father act weirdly ? ' . Her father put the spear down as he tried to calm himself " This is pointless , like I said we don't want to submit to any household " . The third guy wearing a golden cape twitch his head to the chief of town as his eyes red as blood reflecting to the moon " What ? do you think you have a choice on this situation ? " .

Clona can feel an anger with his voice as she saw his sharp nails turning into a claw of werewolf . The town's people get their selves ready as they understood immediately that whatever the outcome is , this people want to control them by submitting themselves .

Clona saw her father's head twitch and look above the sky . ' The blood moon was coming ' she exclaimed silently and she will know that a bloody fight will be immerse on this day .

Out of the blue she feel that her heart , beat faster when the light of the moon reflect on her eyes . She look above as her red eyes widen and she can feel herself to turn into a werewolf . She bite her lips and took a deep breath . She must not turn into a wolf as she could not control herself .

She flinch when she heard a howl . The bright moon turn into a bloody moon , she saw her town's people turning into a werewolf . The trio wearing a golden cape smirk and the enemies starting to shape shift into their wolf form .

Clona step back and hide at the tree as she look at her father . Her father didn't transform into a wolf as well as those golden cape trio . She looked around and saw everyone transforming into a wolf , she look at her father and the golden cape trio and mumble ' The Alpha wolf can maintain their human form during the blood moon as they are capable of controlling them selves ' .

One of the golden cape trio spoke " It seems they have a strongest Alpha on this town uh ! " as he smirk at them .□□
