The woman gasps and hisses "What? You better show some respect granny"

The witch woman smirk "We, maybe older than you but we are more beautiful than your clan. My age doesn't identify my beauty as we witches live longer with the same appearance"

Another witch woman came forward and apologized "I apologized on her behavior"

The vampire woman glared angrily and says "Our queen is more powerful and beautiful than any one of you" she exclaimed while rolling her eyes.

Ryga frown as he have a lot of question 'Queen? What does it mean? But what more confusing was "the witch, wolf and the vampire are working together? Who are they?" Clona whisper while pointing her fingers towards them
