“Just like you, we have no recall of what happen” Clona exclaimed

“But isn't it weird? The parade ends in three days but how come it suddenly stops?”

Mr. Tom frown his forehead, they are right. The parade last for three days but how come the parade stop in two days?. There's a possible answer

“The witch” Mr. Tom mumbles with a serious face

“The witch? ”

“Yes. A powerful witch stops the moon's magic”

The both of them look each other then nod “Well, the thing is uh-m uhm we found a group of people and we happen to stumble to hear their conversations. I know it sounds ridiculous but what do you mean by Adam & Eve? “

Mr. Tom stood up and looks at them “Adam & Eve? Where did you hear it?”

“We heard it from them. What does it really mean?”

“I happen to hear this story from my grandma, the story of Adam & Eve. Adam & Eve are the original human living on this world. They lived in paradise in total innocence”

“Paradise ? “

“Yes. They live in harmony not until the serpent enticed them to eat the forbidden fruit from the tree of knowledge.” He continued

“Serpent? Forbidden fruit? You mean an apple?”

Mr. Tom shook his head and say "My grandma didn't state the correct fruit"

They nod as they understood. Clona raised her hands and asked "what do you mean by the serpent?"

Mr. Tom gulps for a while and say "It's a devil. The devil makes havoc at the paradise. The moment, they took a bite at the forbidden fruit. As punishment for their disobedience, they are banished from Paradise"

"Are they still alive?" Clona ask with a confuse

He shook his head and say "No one knows if they are still alive but my grandma adding a stories about their existence and that is a thousand years ago"

He stops for a while and look at them and asked "What exactly did you hear from them?"

"We heard something like Adam & Eve are still sleeping and thus they want to wake them so the world will be theirs"

Mr. Tom, scowl while thinking "hmm~"

"What do you think? "

"That's dangerous!" he exclaimed with a serious expression

"why?"

"It's better to let them sleep at their chamber if they have, we don't know if their existence was true or not but " he stop for a while

"but? What's next?" Clona was eager to know the story

"Didn't I tell you that there's an adding on the stories Adam & Eve? "

Both of them nod as they agree

Mr. Tom took a deep breath and continued "After they banished no one knows where they are. Some speculations say that it was just a Myth but some says otherwise. To some it off, they believe that Adam & Eve got reincarnated" he paused for a long breath then continues "A thousand years ago, remember I told you about the ruler of this world?"

Ryga nod while Clona was enticing and ready to learn something

“It is said to be, the first ruler of this world are Adam & Eve. I don’t know if this is true. As far as I know the first ruler of this world is the Wolf until it was passed down. Remember the story I told you? That happen thousand years ago, when the last ruler Alpha Wolf died, he didn’t pass the throne to his next heir, instead the pack of wolves are fighting each other for the title while some doesn’t care”

“So? Its impossible to say that Adam & Eve are truly exist on this world. Then who’s sleeping at the chamber? And who are they trying to wake?” Ryga confusedly asked Mr. Tom

But Mr. Tom shook his head as he didn’t know the answer either.

He looks at them and asked “who are they? the group? What group do you mean? “

“I haven’t any idea what group are they but I do remember some faces. One of them is the one who save us during the wave”

Mr. Tom nod as he understood everything

“Anyway, we need to move fast. We don’t have time. If they wake an ancient entity that must not be living on this world, then all of us are doomed” Ryga exclaimed

Mr. Tom stood up the spoke “I’m good and ready to go”

Clona nod and get a weapon nearby, suddenly she remembers something “Ah !” She exclaimed. Ryga tilt his head and ask “what?”

“Aren’t we forgotten something?” she asked

Ryga confusedly look at her then asked “what?”

“Ah ! We forgot about her! Dorothy ! We need to find her!” she exclaimed which took Ryga a surprise then look Mr. Tom’s side and say “We need to find her. When we came back at the place she’s no longer there. We have a guess that maybe she’s in a journey to find us”

Mr. Tom nod and say "We can find her on our way. I trust my guts. I have a feelings that she's safe as of now"

Clona and Ryga look each other as they feel something's not right but they need to be strong.

"We will barge in with them. As much as possible we need to avoid fight. They may not look like it but they are stronger than us. They are a group of people with a different type of attribute" Ryga exclaimed then continue "They are the one who injured you" he explain

Mr. Tom think for a while, they may able to wound him but it was on his unconscious state. He knows that he is strong and he won't lose nor back down on any fight but seeing the two of them who is still a kids makes him twice.

Avoiding a fight with them is better than sacrificing anything. It's been a while since he received a mission and it was their first time to do the task altogether.

"I hope Dorothy was fine" Clona exclaimed on her prayer

"She is. I know her. She's strong and depend woman. She can even guarantee a safety route for us" he snickers and chuckles then added "Anyway, Dorothy is a strong woman. I can sense it. She's not an ordinary witch" he paused for a while then says "before we move out, let's have a plan." He suggested.

"What kind of plan?" Ryga asked

"I know we need to avoid fighting from them but what if we counter them and a fight will emerge?" he asked between the two of them

They paused for a while and think. Ryga accept the fact that those people are stronger than him.

"In worst possible will come. I will fight them head on. You guys need to escape safely" he suggested

Clona look at him with disbelief and say "If you want to fight then I want to fight too. I may look like this but I am a strong woman" she exclaimed with a proud face

"Then it's decided. Let's go" □□□□□□□□□□□□□□□□
