

Chapter: 1002

Liang Zhenghai had no idea that Cheng Yuan would put the blame on him like this. Just now he saw Cheng Yuan molest the woman with his own eyes. Immediately, Qin Qian looked towards Liang Zhenghai, full of anger, and waved his hand, "Come here, take this beast down for me!"

"It's not me, it's really not me..." Liang Zhenghai was completely panicked. He pointed to Cheng Yuan and was about to confess Cheng Yuan. Cheng Yuan hooked his neck and pressed him down. On the ground, he lowered his voice and said, "Zhenghai, you have to help me carry this pot today! I have not treated you badly for these years. If I hadn't taken you with me, would you have today?!"

Liang Zhenghai stopped, he looked at Cheng Yuan with incredible eyes, "Brother Yuan, I have done a lot for you over the years."

Cheng Yuan stared at him and said threateningly: "I don't care, you must help me carry this pot today, otherwise, your sister..."

Liang Zhenghai shook his whole body and stared at Cheng Yuan with gritted teeth. He didn't expect that Cheng Yuan would threaten him with his sister!

Cheng Yuan then said in an imploring tone: "Zhenghai, brothers, I haven't taken care of you in the past few years. At this moment, you will help Brother Yuan carry this pot. Anyway, it's just a beating. It's not a big deal. Just help brother for a while, okay?"

There was a painful expression on Liang Zhenghai's face. He is a very emotional person. He eats soft but not hard. When Cheng Yuan said these words, he really couldn't refuse. He gritted his teeth, he gave up, and took a deep breath. , With a miserable face, said: "Brother Yuan, I know, I will help you carry this pot."

"Good brother!" Cheng Yuan was overjoyed at once, and then with a cold face, he pressed Liang Zhenghai to the ground and cursed: "Bah! Liang Zhenghai, you bastard, you are blind, so even Qin Shao's woman dared to touch him. , You know who Qin Shao is, Qin Shao can choke you to death with a finger!"

Then he immediately said to Qin Qian, "Qin Shao, don't worry, leave this beast to me, and I will definitely give you a satisfactory explanation!"

Qin Qian waved his hand, and he said coldly: "What are you, Qin Qian, do I need your pointers? Go away!"

Cheng Yuan's face was stiff, but he didn't dare to show any dissatisfaction. He quickly stepped aside and flew a threatening look at Liang Zhenghai, so that Liang Zhenghai could not confess him when he died. He saw Liang Zhenghai face. With a gray expression, his heart relaxed.

Qin Qian's identity, he knew very well, even in the rich second-generation circle, he is a very powerful existence, only under Yang Guiying's daughter

of heaven, he can't provoke him at all.

Now he is pretty good. He just took advantage of Qin Qian's horse, and he doesn't need to be taught by Qin Qian. There is Liang Zhenghai as a substitute for the dead.

"Which hand touched my woman just now, stretch it out!" Qin Qian stared at Liang Zhenghai coldly, his face was cold, full of anger and murderous intent, and he was considered a figure in the circle. I don't know how many people. It all depends on his face. Now in the crowd, a little man has eaten Ma Zi's tofu. If he doesn't punish this little man severely, where will his face be put? !

Liang Zhenghai was very scared, but he didn't dare to resist now, so he could only stretch out his right hand obediently.

Qin Qian said coldly: "Chop off this beast's left hand for me!!"

Immediately, a big man walked out, took out a fruit knife from the dining table next to him, with a grin on his face, and walked slowly in front of Liang Zhenghai.

Liang Zhenghai saw this scene, his scalp was numb, and he was trembling with fear, and he quickly begged for mercy.

There were so many people present, and no one came out to stop them, but they were all smiling and gloating. They found it very interesting and a pleasure.
