

## Chapter: 1198

The current Yao Sheng is very prestigious, like a god of war. He swept over with a glance, and no one dared to face it. They all bowed their heads and shivered.

For ordinary people, the coercion of a master of the second stage of the innate realm is not something they can resist!

Under Yao Sheng's intimidation, they all stood in place, not daring to leave. Yao Sheng was very satisfied with his majesty and made him feel the infinite status. What about so many rich people present, they are all a group of ants, and no one dares to disobey his will!

Tonight, he is here to declare sovereignty. As long as Jiang Liqun is crippled, he will soon be able to drive in and swallow Jiang Liqun's industry and become the boss of Yuancheng.

He is absolutely sure that he can take Jiang Liqun down, because Jiang Liqun has completely fallen behind him, not to mention that he has specially invited a master of the third stage of the Innate Realm to sit down! Today is Jiang Liqun's fiftieth birthday and Jiang Liqun's death.

When Jiang Liqun saw Yao Sheng's arrogance, he was already going crazy, and his anger burned his whole person directly. He shouted loudly: "Audacious! Give it to me. Don't treat Yao Sheng as a pig or dog. Win the beast!"

He waved his hand and gave an order, and immediately the bodyguards who were eyeing at him began to rush towards Yao Sheng.

They are well-trained and have extremely uniform movements. As special forces, they have good cooperation, and their strength is not bad, they still have weapons in their hands, and the threats they bring are also great.

It's a pity that they still didn't look enough before Yao Sheng's hands, because this was not a level anymore.

Yao Sheng sneered disdainfully, and didn't need him to act at all. The bodyguards behind him swarmed up, all the masters of the acquired peak, one by one, like wolves and tigers, directly began to counter-encircle and counterattack.

When the two groups of people fought like this, the scene immediately became chaotic. Jiang Liqun's 50th birthday tonight has also become a drama.

Although Jiang Liqun's bodyguards of these special forces are very strong, they will not be the masters at the peak of the day after all, and they have all fallen in less than a minute. Many of them have been seriously injured and are dying.

"Jiang Liqun, you are too weak, not only you are weak, even your subordinates are too weak, you are simply a mob." Yao Sheng said

contemptuously.

Jiang Liqun clenched his teeth, his face was pale. He knew the strength of his bodyguards, and he couldn't help Yao Sheng. He only thought that he could consume Yao Sheng's power, but he didn't expect that Yao Sheng brought these things. Each of the subordinates was powerful, and without Yao Sheng's action, he abused his subordinates.

"Yao Sheng! You are so courageous! You dare to run to my site to make trouble, do you really think I can't help you!?" Jiang Liqun was furious, staring at Yao Sheng, but everyone could tell. , He has completely fallen behind now.

Yao Sheng laughed loudly: "Jiang Liqun, death is imminent, and you are still going crazy there! I want to see, what do you do to me! I am not afraid to tell you the truth, Lao Tzu has now broken through the innate state. In the second stage, the strength is one quarter higher than you, what do you use to fight Laozi?"

Jiang Liqun was shocked when he heard that, "Impossible! You lost to me last time, how could it be possible to break through to the second stage of the Innate Realm so quickly!"
