

Chapter: 1200

“Lin Linlin, Lin Ziming?!! Du Feng yelled out in shock, his eyes and his reaction were like hell, his face pale in fright.

He really didn't expect that Lin Ziming would appear here, because that day on the Lion Mountain, he was one of the team that grabbed the Colorful Origin Fruit. He witnessed Lin Ziming forcibly seizing the Colorful Origin Fruit, and then successfully escaped under the besieged by more than forty innate realm masters!

Moreover, in the process of escaping, Lin Ziming also killed many innate realm masters.

This is an absolute fierce man, although Du Feng is very confident of his own strength, in his circle, he is also a pyramid. However, he absolutely did not dare to be presumptuous in front of Lin Ziming, because Lin Ziming was really too strong, he and Lin Ziming were not at the same level at all!

For this, he is still very self-aware.

The key is that Lin Ziming was already dead, and was finally chased by Jian Rushuang. You know, Jian Rushuang is a peerless murderer of the Great Perfection of the Innate Realm!

And he witnessed the last big bang with his own eyes, a big bang of that magnitude, let alone masters of the innate realm, even if the legendary King Kong is not bad, he must drink hate!

But now, Lin Ziming is actually standing in front of him alive?

Moreover, the strong breath that Lin Ziming exudes hasn't weakened at all, but it has become even stronger.

This, how is this possible.

Du Feng asked himself that he was well-informed. He had met many people from the world and had a strong psychological endurance. But now, he really couldn't accept it. At this moment, he even suspected that he had hallucinations.

And Yao Sheng immediately looked at Lin Ziming. When he saw Lin Ziming, he couldn't tell at a glance, and cursed: “Who the hell are you, dare you...”

He didn't even finish what he said, so Du Feng, who was next to him, put his foot on his feet, kicking him forward and almost fell over, “You fucking shut up Laozi! This is Dong Lin, you.” Dare to be disrespectful to Lin Dong, I think you are impatient!”

After speaking, he immediately took a few steps forward, knelt down in front of Lin Ziming on one knee, and shouted loudly: “Junior Du Feng, see Lin Dong! Lin Dong has no boundaries, and he is the first person in the world!”

Du Feng lowered his head deeply, his heartbeat was so fast that he could be

said to have turned up a huge wave in his heart now, and now he walked in front of Lin Ziming, and he felt the terrifying breath emanating from Lin Ziming more and more. , Like a volcano, contains destructive energy, which he can't resist at all.

And he can also be sure that Lin Ziming is not injured, this is Lin Ziming's peak state, as long as Lin Ziming is willing, within a second, he can take his life!

Facing such a fierce man, how dare he be presumptuous?

The scene suddenly fell silent, and so many people present were in a state of surprise, and I didn't expect that things would have been reversed at this point.

Jiang Liqun clenched his fists. Now he didn't know how excited he was. Lin Ziming was so strong that even a strong man like Du Feng chose to surrender without hesitation.

Well, Yao Sheng can't run away tonight!

How can this keep him from getting excited?

As for Yao Sheng, he is completely dumbfounded now, looking at Lin Ziming dumbfounded, his mouth is big, but he just can't say a word. Now his heart is extremely shocked, and he is even beginning to fear, shivering. . How could this happen, how could this happen, isn't Lin Ziming already dead?
