

Chapter: 1208

The man faced each other and saw Tao Sanniang more clearly, his heartbeat speeded up even more, almost bursting out, and the blood all over his body suddenly boiled.

Nothing else, the woman in front of me is so beautiful!

Xu Tianyou swears that when he grows up, he has never seen such a beautiful and delicate woman! Especially the face of the woman in front of her is that kind of vixen-like appearance. Just by looking at it, she can catch her eyes deeply, and it's hard to remove it anymore.

He is the fifth and most famous diamond king in this area. He is rich in his family and looks handsome. He doesn't know how many women he has played with. He even got tired of it for a while, thinking that women in the world are nothing but this. He has forgotten how long he has not had a passion for a woman until now, when he sees the woman in front of him, he has been stunned to come back again after a long absence. He swears that he must get this woman tonight!

So he was full of fighting spirit and didn't mind Tao Sanniang's indifference. He thought that Tao Sanniang was just pretending to be reserved and wanting to catch up, so he didn't believe it, the woman who came to the bar alone to play. Where can I go seriously.

"Haha, Xu Tianyou just admires a woman as cold as you, introduce me, cough cough, I am..."

"roll."

Before he finished speaking, Tao Sanniang interrupted him. There was a trace of expression on his face. He didn't even look at Xu Tianyou, as if Xu Tianyou was just a dog.

Xu Tianyou looked a little ugly now, "Hey, beauty, you don't give me too much face for Xu Tianyou, you can inquire about it nearby, I am Xu Tianyou..."

With a loud sound, on the table in front of Xu Tianyou, a dagger suddenly appeared, and it stuck directly into it. The cold light shone on Xu Tianyou's face, making him frightened all of a sudden. See how this dagger appeared.

Tao Sanniang stared at him, "Excuse me again to drink and die!"

Gulu, Xu Tianyou swallowed heavily, he could feel the terrifying murderous intent in Tao Sanniang's eyes.

However, Xu Tianyou's fear was soon occupied by evil thoughts. He had never seen a woman like Tao Sanniang. She was beautiful, sexy, decadent, and full of threats.

"Hahaha, beauty, you are very interesting. I don't think that a beautiful woman like you will perform magic tricks. I am even more interested in you." As he said, green light broke out in his eyes and stretched out to Tao

Sanniang. Shot, want to molest Tao Sanniang.

At this time, Tao Sanniang would not be polite with him anymore, only to see Tao Sanniang snorted and kicked out, the table in front of her was kicked into flight by her, and Xu Tianyou was also kicked. , Flew out like a ball.

With a bang, he slammed into the wall behind, and his strength was so strong that it cracked the wall. Xu Tianyou let out a scream, a mouthful of blood came out, his pupils suddenly shrank, his eyes Fear appeared in it.

This huge movement directly shocked the entire bar, and their eyes turned to this side one after another.

Tao Sanniang seemed to have done a trivial thing. She walked to the next seat and sat down, drinking again, her movements were decadent and elegant, as if she did not do the things just now.

The bar was quiet for two seconds. The next moment, Xu Tianyou spit out a mouthful of blood, his face was full of anger, and he shouted heartbreakingly: "Fuck me all! I am going to fuck this stinky bitch!"

As his voice fell, immediately, there were several men around, rushing towards Tao Sanniang, with a grinning face, trying to catch Tao Sanniang.

Tao Sanniang showed a disdainful sneer. She could crush these silver gun wax-head garbage without any effort.

Don't think she is just a woman, but she was pointed out by Lin Ziming before, and now she is the pinnacle of acquired strength, and teaching these rubbish is easy.
