

Chapter: 1213

Behind Jiang Liqun, hundreds of neat teams bowed their heads to Lin Ziming, bowed, and shouted loudly, "Welcome to Lin Ziming!"

Lin Ziming was accustomed to such scenes. He knew that this was Jiang Liqun's meaning, which expressed his supreme respect and absolute surrender to himself.

He nodded faintly, and said, "Well, thank you for your hard work."

Jiang Liqun said hurriedly, "No hard work, no hard work!"

The hundreds of subordinates behind him also shook their heads quickly and looked at Lin Ziming in admiration.

Jiang Liqun came up, he couldn't help but asked softly: "Dong Lin, have you broken through now?"

"Yeah." Lin Ziming admitted generously.

After Jiang Liqun listened, his heartbeat speeded up a lot. Damn, the innate realm is perfect!

This is the realm in the legend. If it were in ancient times, it could be called a fairy!

And now, with such a powerful existence, standing in front of him and becoming his boss, this feeling is really wonderful.

The more you get to the Innate Realm, the more you know that it will be difficult to break through in the future. Take Jiang Liqun's current situation. He has no clue about breaking into the second stage of the Innate Realm, and he is completely confused.

As for Lin Ziming, he was already in the realm of Dzogchen in the Innate Realm, and he was standing at the top of the pyramid of human society.

Looking at the world, there are not ten that can reach this level! ! !

Now Jiang Liqun faced Lin Ziming, feeling more and more unfathomable. If he hadn't opened his eyes and saw it with his own eyes, he would not have sensed Lin Ziming's existence at all, as if he was invisible.

If the cultivation level is not enough, Lin Ziming would think that Lin Ziming is an ordinary person without the power to bind a chicken, and he would never expect that this is an absolute powerhouse, the kind that can choke many people to death with his fingers!

After Lin Ziming came out of retreat, he immediately went to take a shower, and then ate a meal beautifully. His current appetite is so great that one person can eat twenty people, which is extremely terrifying.

After he was full, he went to rest for an hour, and when he came out again, he was full of energy and was already at his absolute peak.

He has absolute confidence, even if Sword Rushuang returns, he also has the confidence to fight Sword Rushuang!

Even if you can't win Jian Rushuang, you can at least be equal to Jian

Rushuang.

“How is the matter I asked you to investigate.” Lin Ziming asked Jiang Liqun.

Jiang Liqun immediately reported what he had investigated in the past two days, and the result was similar to Lin Ziming’s guess.

The news that he was alive did not arouse concern or spread out, but most people still didn’t believe it.

However, what he really cared about was Hwaseong City. After his death, there were no troubles with Chu Fei’s family.

Fortunately, because Chu Fei’s family is very low-key, and there are clowns secretly protecting, there are no people who do not know how to bully Chu Fei.

At this moment, Jiang Liqun’s expression was a little embarrassed, his mouth moved, he wanted to say something, but he didn’t say anything. Lin Ziming immediately noticed his strangeness, frowned and said, “Is there anything bad?”

Jiang Liqun said: “Lin Dong is like this. Yesterday, I heard a message about the Yuntian Pavilion...”

Suddenly, Lin Ziming’s eyes condensed, “Say!”
