

Chapter: 1217

This time, he is determined to marry the Xuandan Sect, and believes that after the marriage with the Xuandan Sect, the Yuntian Pavilion will definitely develop even greater!

As for Tao Sanniang, it was just a chess piece he sacrificed.

He used to value Tao Sanniang very much and trained Tao Sanniang to become a talent, just to one day use Tao Sanniang as a tool for marriage.

Before, when Lin Ziming was strong, he didn't hesitate to let Tao Sanniang seduce Lin Ziming, but now that Lin Ziming is dead, then Tao Sanniang can only vote for others.

For Lin Ziming, Fan Zhenbang used to be quite optimistic, and he was also devoted to win over Lin Ziming, but at that time, Wu Meizi's appearance forced them to stand in line. They did not stand on Lin Ziming's side, which offended Lin Ziming. Although later, because of Tao Sanniang's relationship, this period of grievance was resolved. However, Fan Zhenbang knew that it was no longer possible for them to become allies between Yuntian Pavilion and Lin Ziming, and it was their best way to get along without breaking the river.

This also troubled Fan Zhenbang.

Fortunately, Lin Ziming died unexpectedly. By more than forty masters of the Innate Realm, he finally died in the hands of the masters of the Great Perfection of the Innate Realm!

It was really too timely to die. When Fan Zhenbang heard this message, he laughed directly. With the death of Lin Ziming, they can move Sanniang Tao...

Soon, after he walked over, he saw Tao Sanniang's expressionless face, he frowned, snorted, and said, "Happy day, what do you do with a straight face, give me a smile!"

He spoke harshly, but there was still a smile on his face, a full-faced smiling tiger.

Tao Sanniang looked at him indifferently, without turning her eyes, and then squeezed out a little smile stiffly. It's okay for her not to smile. This smile is more ugly than crying.

Fan Zhenbang immediately became even more angry. He stared at Tao Sanniang coldly and said: "Sanniang, you know my character, don't make me angry, otherwise your family..."

When Tao Sanniang heard this, her body trembled fiercely. She lowered her head, her eyes flashed with intense anger and sorrow, took a deep breath, and then tried her best to adjust her mentality. Finally, after a while, She raised her face again and smiled, "Old Fan, I have done so many things for Yuntian Pavilion, please, don't embarrass my family."

Fan Zhenbang smiled brilliantly on his face, but said coldly in his mouth: "As long as you don't have anything to do with me, and serve Lan Feng obediently, I won't embarrass your family. On the contrary, I will be fine. Take care of them."

Tao Sanniang clenched her fists. She couldn't hear what Fan Zhenbang said. Fan Zhenbang was planning to cheat. Even if she married Lan Feng tonight, Fan Zhenbang would not let her family go. Will continue to threaten her with her family!

"Old Fan, you promised me to let them go tonight!" Tao Sanniang gritted her teeth.

Fan Zhenbang glanced at her faintly, "You have been on a hunger strike for the past two days. You clearly didn't put my words in your eyes. When you figure it out, I will let your family go."

Tao Sanniang was crazy, she didn't think that Fan Zhenbang was so despicable. Anyway, she had been with Fan Zhenbang for a long time, and she had no credit and hard work!

"Squeeze a smile, your future husband Lan Feng is here."

When the voice fell, a tall figure walked in, wearing a black tuxedo, which set off his figure very well, and he looked handsome, smiled, and looked at Tao Sanniang tightly. I opened my eyes.
