

## Chapter: 1218

This person is Lan Feng, the bridegroom officer tonight, and the younger brother of the Xuandan sect who is at the helm of Lan Xing. Don't look at him so young, in fact, he is almost forty years old, and he is also in a congenital state. The master of the second stage has a high position.

This is not the first time he got married tonight. He had already been married twice before, but within a few years, he took his two wives to death. Although the two wives are also very beautiful, they are still far behind the Tao Sanniang in front of him. They are not of the same level. So when he saw Tao Sanniang, he immediately became enthusiastic. He even couldn't wait to get married with Tao Sanniang!

"Sanniang, you are so beautiful." Lan Feng walked to Tao Sanniang and took a strong breath of the fragrance from Tao Sanniang's body, which made him salivate even more.

Faced with Lan Feng's affection, Tao Sanniang didn't have any reaction, she was indifferent, as if she couldn't hear Lan Feng's words.

This caused Lan Feng to frown slightly and was a little unhappy. He looked at Fan Zhenbang with questioning eyes. Fan Zhenbang immediately coughed twice and gave Tao Sanniang a bad look, threatening Tao Sanniang. "My patience is limited. This is the last chance I give you." Fan Zhenbang's voice rang in Tao Sanniang's ears, causing her body to tremble, and her heart tormented extremely!

After a few seconds, she still had to adjust her mentality, because she saw the audience, her family was waving at her, she couldn't be so selfish.

"Thank you, you are also very handsome." Tao Sanniang finally smiled and took Lan Feng's hand to express her obedience by action.

Lan Feng's face was filled with a smile again, and Tao Sanniang stepped onto the stage together.

Today's scene is indeed very big. In Tingyu Villa, although it is already night, the ubiquitous lights still illuminate this place like daylight.

"Dear guests, gentlemen and ladies, good evening, I am very happy to receive the commission of two newcomers to hold this sacred and romantic wedding on this happy day."

The host started the wedding ceremony.

"I remember there is a saying, in this world, there is always someone waiting for you, no matter when or where, there is always someone waiting for you silently. The birth of a boy thought the happiness of this girl, and one The birth of a girl thought this boy's waiting. Today, the boy finally ended his long wait, and the girl also found his own happiness. Next, let us invite two happy newcomers with warm applause. Into the wedding hall of love together!"

The host was of a very high level, and the opening remarks were very beautiful. The audience suddenly remembered the thunderous applause, which lasted for a long time.

Soon, Lan Feng and Tao Sanniang walked up slowly together. The appearance of a talented woman looked really good.

However, Lan Feng's face was full of spring breeze, and that happy smile could not be concealed.

And Tao Sanniang is also smiling, but smiles reluctantly.

"Next, let's welcome the bridegroom..." Lan Feng snatched the microphone over before the wedding host had finished speaking. He was very rude and gave the host a dissatisfaction. The host was long-winded and took the limelight.

"Tonight is my Lan Feng's happy day. Thank you all for showing your face and witnessing my wedding." Lan Feng said loudly, his expressions full of confidence and arrogance, even in the presence of so many people, he is also He is superior, and his performance is obvious, which makes people feel uncomfortable to watch.

But there is no way, because Lan Feng does have this arrogant capital. As a master of the second stage of the innate realm, his brother is still the helm of the Xuandan faction. Looking at the source city, who can mention him ratio? The marriage of Yuntian Pavilion and Xuandan Sect is a high climb.

He continued to speak: "From today, Tao Sanniang is my Lan Feng's woman, and Yuntian Pavilion is my natal family. Whoever dares to be disrespectful to Yuntian Pavilion will just not give me Lan Feng face!"

What he said is extremely arrogant and extremely inappropriate. No matter what, today is his happy day. It is really inappropriate to say these words. But Lan Fengsi didn't care, because he had this qualification. As the second in command of the Profound Pill Sect, he was strong and didn't put anyone in his eyes.

And he is in this way to show his strength!
