

Chapter: 1219

Moreover, he has now reached the bottleneck of the second stage of the Innate Realm, and he will soon be able to break through to the third stage of the Innate Realm. By then, he must not be the sky and the sea, let him swim? After he finished speaking, no one at the scene dared to say a word, even if someone was upset, they had to endure it. Who said Lan Feng did have arrogant capital?

After a while, someone took the lead to applaud, and there was thunderous applause immediately.

Lan Feng enjoys this awe-inspiring look very much, and his vanity has been greatly satisfied!

Then, he looked at Tao Sanniang again, and said affectionately: "Sanniang, starting from today, we will get married. I promise you will be the happiest woman in the world in the future! As long as there is my Lan Feng in the future One day, you must be a master, infinitely noble."

This remark was so vulgar that many people laughed secretly and secretly despised Lan Feng.

Tao Sanniang's expression was dumb. She was touched by Lan Feng's so-called affection, and she even felt very disgusted. All she saw in Lan Feng's eyes was **, where is half affection?

This was their first meeting. No matter how they fell in love at first sight, they couldn't go where they were affectionate. Lan Feng was just looking at her beauty.

There have been countless times, Tao Sanniang dreamed of how romantic and sacred her wedding was. Now her wedding is very grand and solemn, not far from what she imagined, but the biggest difference is that the groom is not the one she wants...

Lan Feng was very proud of what she said, waiting for Tao Sanniang to cooperate, but Tao Sanniang stood there blankly, indifferent, making him a fool.

So he coughed displeasably and warned Tao Sanniang with his eyes.

Tao Sanniang came back to her senses, she said softly: "Thank you."

Thank you? What is this nonsense?

Some snickers were heard from the audience, which made Lan Feng's face even darker.

"Kiss, kiss!"

At this time, someone in the audience began to roar, and the voice grew louder.

Lan Feng smiled again. He looked at Tao Sanniang's beautiful face and sexy little cherry mouth. If he could kiss him, it would definitely taste good.

So he got close to Tao Sanniang, prepared to hug Tao Sanniang, and then

kissed Tao Sanniang fiercely.

Tao Sanniang panicked all of a sudden, looking at Lan Feng's face, she only felt extremely nauseous, even nauseous! In her heart, she was Lin Ziming's person, and she could no longer accept other people. It was even more uncomfortable than killing her to be kissed by another man!

In a rush, she completely reflexively took two steps back and avoided Lan Feng.

"Huh?!" Lan Feng is a bit going crazy now. He stared at Tao Sanniang, threatening and intimidating, said: "Sanniang, today is our big happy day. If you are so naughty, I will be angry. Oh!"

Tao Sanniang clenched her teeth. In this situation, she was really tormented. How much she thought, at this moment, Lin Ziming can appear on the stage as gorgeously as before, and then save her!

But she knows that there is no such opportunity, and there will always be no chance...

"I, I'm not ready yet. Give me a little more time. Anyway, I will be yours sooner or later..." Tao Sanniang said in a low voice, every time she said it. The words, like needles, pierced her heart fiercely.
