

Chapter: 1220

Lan Feng saw Tao Sanniang's soft look, he was already a lamb to be slaughtered, and his heart became even more hot, staring at Tao Sanniang completely undisguised, trying to swallow Tao Sanniang into his stomach!

Originally, he didn't have much hope for the marriage with Yuntian Pavilion this time, it was purely an act of profit. However, when he saw Tao Sanniang, the appearance of Chen Yuluoyan, he looked forward to it all at once, especially now, at close range, he discovered that Tao Sanniang is still that kind of naturally charming physique, which is the best among women. , It is the best material he picks up.

"Good, good!" Lan Feng laughed heartily, especially happy, and there was no compelling Tao Sanniang, anyway, coming to Japan is long, and tonight the bridal chamber, some time to enjoy.

Fan Zhenbang and the people at Yuntian Pavilion saw that Lan Feng was so happy, they also smiled.

As for the many guests present, witnessing this scene, they all admired Lan Feng. It is a man's dream to marry such a beautiful stunner Tao Sanniang.

But gradually, in the audience, some people started to discuss in a low voice. "I have to say that the Tao Sanniang of Yuntian Pavilion is indeed stunning and can be called the best. Lan Feng can marry Tao Sanniang, it is really a role model for our man."

"Of course, Tao Sanniang is a well-known beauty in Yuntian Pavilion, the first beauty in Yuancheng, and the key person is still the type of natural charm. If this kind of top quality is changed to ordinary people, it will be drained in less than half a year. ."

"Hahaha, Lan Feng is a master of the innate realm, so he shouldn't be squeezed out."

"That's hard to say."

They all expressed their admiration for Lan Feng, but at this moment, a discordant voice appeared.

"Sanniang Tao, isn't Lin Ziming's woman? Why did Yuntian Pavilion marry Sanniang Tao to Lan Feng..."

This voice is not loud, but everyone who hears it can't help quieting down, and their expressions become subtle.

Lin Ziming is an absolute legend for the people in their circle. No one dares to offend Lin Ziming, even if they usually criticize behind their backs, because they know that once it gets to Lin Ziming, then Ruined.

Speaking of it, Lin Ziming's rise hasn't been long, but Lin Ziming completely stepped on the heads of all parties. Anyone who knew him would dare to be disrespectful.

The occasion like this tonight was originally very hot, so the sudden

appearance of silence immediately seemed very violent.

It was quite quiet for several seconds before someone spoke, “Sanniang Tao, isn’t she from Yuntian Pavilion, when did she become Lin Ziming’s woman?”

“You don’t know, Tao Sanniang has always been Lin Ziming’s woman. At the beginning, when Lin Ziming was still not fully grown up in Huacheng, Wu Meizi relied on her energy to force all parties to stand. The team, Yuntian Pavilion betrayed Lin Ziming. Later, Lin Ziming killed Wu Meizi with an absolute advantage. He was about to find Yuntian Pavilion to settle accounts. If Tao Sanniang did not stand up and speak for Yuntian Pavilion, now Yuntian Pavilion I’m afraid it’s already...”

“What? There is such a thing? Then the Yuntian Pavilion is crazy. If you dare to marry Tao Sanniang to Lan Feng, you are not afraid of Lin Ziming’s anger?”

When this sentence fell, it caused another silence. After a while, someone said, “Lin Ziming, he is dead.”

“What?! Lin Ziming is dead? Really! Isn’t he the number one expert in G province?”

At the scene, obviously many people still didn’t know the news that Lin Ziming was dead, and they were all shocked.

“Originally, I was a little doubtful about the authenticity of this matter, but now it seems that it is already a certainty. Otherwise, I would give Yuntian Pavilion ten courage, and would not dare to marry Tao Sanniang to Lan Feng.” Someone sighed with emotion. Said.

Others are also quite emotional, and most people think that Yuntian Pavilion is too unnatural to do this. Lin Ziming hasn’t waited long to die, and can’t wait to attack Tao Sanniang.

But they didn’t dare to say anything about it. After all, Yuntian Pavilion was also a giant, and after marrying with Xuandan Sect, it became even bigger.

However, because of the appearance of the name Lin Ziming, the atmosphere on the scene became a little weird. Many people in Yuntian Pavilion noticed that their faces were hard to look. Fan Zhenbang walked over, coughed twice and laughed Rou said with a smile: “Everyone, listening to your conversation just now seems to have misunderstood Sanniang. It seems that I have to come out and explain. The relationship between Sanniang and Lin Ziming has always been just an ordinary friendship. Fan hopes Can you respect our Yuntian Pavilion, okay?”

He spoke very politely, but his eyes flashed with cold light, warning them not to chew their ears behind their backs, otherwise Yuntian Pavilion would turn their faces!

“There is no such thing, Mr. Fan has misunderstood. We are all blessing Miss Sanniang.”
