

Chapter: 1223

In fact, he and Lin Ziming had already come to Tingyu Mountain Villa long ago. They just kept a low profile. Now that he heard Lin Ziming's instructions, he could not wait to stand up.

With Lin Ziming by his side, he only felt an infinite sense of security, even if the sky fell, Lin Ziming would hold it.

Jiang Liqun laughed, "Fan Zhenbang, Fan Zhenbang, are you still claiming to be a sentimental and righteous person at the expense of you? This is how you are sentimental and righteous?"

"Enough!" Fan Zhenbang was completely irritated. He can see it now. Jiang Liqun is here to make trouble today, and he doesn't want to go into it. What is the purpose of Jiang Liqun doing this? Now he just wants to Give Jiang Liqun a terrible lesson.

"Jiang Liqun, since you want to die, then I don't mind fulfilling you!" Fan Zhenbang shouted, "Come on, take Jiang Liqun down for me. I want to see who gave it to him." Gouda, dare to fight against my Yuntian Pavilion like this!!"

When the voice fell, a master immediately dispatched to capture Jiang Liqun. Lan Feng also said: "Jiang Liqun, no matter what your purpose is, even if the King of Heaven comes over today, I won't be able to save you!"

Jiang Liqun faced the double threats of Yuntian Pavilion and Xuandan faction. He didn't pay attention to it at all. Instead, he directly asked Tao Sanniang: "Ms. Tao, someone asked me to ask you, today's wedding, Is it your volition?"

When Tao Sanniang heard this, her delicate body trembled fiercely, she bit her lip tightly, and said with great pain: "This person is already dead. Is it important to be willing or not?"

She is now not only physically weak because of the long-term lack of rest and eating, especially under the fatigue of the heart, she can't hold it anymore, and her body is crumbling.

So many people present, seeing her like this, couldn't help but sympathize with her and feel pity for her. Everyone with a discerning eye can see that the wedding tonight is not Tao Sanniang's will at all, but Yuntian Pavilion forced her to do so. !

But, what can it be? This society is a society where the weak eats the strong. Lin Ziming is dead, and there is no one to protect her, she is a weak lamb.

Jiang Liqun said solemnly and loudly: "Important! Very important! Miss Tao, please answer according to your heart!"

This sentence was very powerful, poking Tao Sanniang's heart directly, causing her to blurt out, "It was not my willingness! I am waiting for someone who can never wait, but it is a pity that he has left me forever and

ever.”

After saying this, she had completely burst into tears, and she couldn't control her tears. The tears rained down, and she was also unstable, squatting down and crying.

In these days, she has almost never had a good night's sleep. Since hearing the news of Lin Ziming's fall, her spirit broke down. If it were not because she still had family members in the hands of Yuntian Pavilion, then she might have followed Lin Zi. Ming left.

She has been stubborn, but until this moment, she has been unable to withstand it.

“Ziming, I really miss you so much... why did you leave me suddenly, oh oh oh... I don't need anything, I just want you to come back... .”

She was sobbing, her mentality was completely broken. However, at this moment, she heard a voice familiar to her bones, and suddenly remembered, “Silly girl, who said I left you? I've been there all the time.”
