

Chapter: 1226

What she said was really teary, Lin Ziming was about to tighten his heart, and at the same time he felt even more regretful and guilty!

This time he embarked on a plan to conquer the spirit fruit of heaven and earth, and he did not take Tao Sanniang into consideration at all. This was his fault. He didn't even have to fight Tao Sanniang when he greeted him, and directly let Tao Sanniang accept the message of his fall!

At the same time, he underestimated the affection that Tao Sanniang cared for him!

Ugh.....

Lin Ziming's nose is also a little sour, he feels that he is too bastard, and actually ignored Tao Sanniang's feelings, causing Tao Sanniang to suffer such great pain and torture!

He directly put Tao Sanniang into his arms, "Sanniang, I'm sorry, I was wrong, I didn't tell you the message in time, and let you suffer such a big grievance, I promise, I will come back this time, and I will never do it again. Something similar happened!"

This hug, Lin Ziming felt that Tao Sanniang had lost so much weight, and her body was already extremely weak, almost to the point of exhaustion!

While Lin Ziming was distressed, he was also filled with anger, rushing to his forehead!

Yuntian Pavilion! Xuan Dan faction!

A woman who dares to bully him in this way, if he doesn't do something, is he still a man? !

At this time, Tao Sanniang felt Lin Ziming's hug, and she finally reacted. This did not seem to be an illusion, but that Lin Ziming had really come back.

Her body was trembling violently, she raised her head suddenly, and saw the face close to her eyes, the face that was familiar to her bones and appeared every night...It was really Lin Ziming!

She was stunned, her brain was blank, and the whole world disappeared, leaving only the man in front of her.

She tremblingly stretched out her hand, holding Lin Ziming's face, and cautiously, for fear that she would use too much force, she squeezed the person who was thinking about the day and night before her. She said with a trembling voice: "Son, Ziming, is it really you?"

Lin Ziming nodded vigorously, "It's me, it's me who came back, everything is okay."

Tao Sanniang covered her mouth, and she finally realized that it was real, not an illusion. The huge surprise directly overwhelmed her.

"Great, I finally waited until you came back, you are not dead, great..." Tao

Sanniang plunged into Lin Ziming's arms and hugged Lin Ziming tightly, reluctant to leave for a moment!

Even the hard-hearted people have turned into all kinds of tenderness at this moment.

Tao Sanniang was really too sleepy and tired. Her nerves had been strained before. Now she plunged into Lin Ziming's arms and felt Lin Ziming's existence instead of vain. She immediately relaxed and closed her eyes. Passed in a coma.

The silence resumed at the scene, and everyone's eyes were on Lin Ziming and Tao Sanniang, and no one dared to make a sound, for fear that Lin Ziming would be provoked.

Lan Feng was the first to react. He looked at Lin Ziming with hostility and dissatisfaction, "You are Lin Ziming? I think that's nothing more."

Lin Ziming didn't pay attention to him, but hugged Tao Sanniang around her waist, and then walked to the stage.

His ignorance made Lan Feng even more furious. Today was originally his happy day. He was the protagonist under the eyes of everyone. But the arrival of Lin Ziming completely robbed him of the limelight, for his arrogant character. In terms of how to accept it.

He snorted heavily and cursed: "Hey! Stop for Lao Tzu. Who gives you the courage to run wild on my Blue Maple site!?"

With that, he shot Lin Ziming and wanted to keep Lin Ziming!
