

## Chapter: 1245

“Dad, you can’t kneel. If you kneel, the backbone of our Chu family will be broken!”

“Yeah, grandpa, you must not kneel, you must kneel, it is also our juniors who kneel.”

The Chu family started begging, and they didn’t care if they said so loudly as they did just now.

“Shut up all!” Chu Guodong’s eyes widened, and his majesty as the head of the family exuded at this time.

Seeing the painful expressions of many children and grandchildren, he felt very sad now, his tone softened, and said, “Chu family, I will leave it to you in the future. Think about Ziming, he also grew up from an ordinary person to that point. , It’s a pity, Ziming, he...”

Chu Guodong recalled Lin Ziming and felt extremely sad. If Lin Ziming was still there, nothing would happen today! In the end, they were still living under the protection of Lin Ziming. If there was no Lin Ziming, their Chu family would be nothing more than soft persimmons.

He walked in front of Meng Hao and knelt down with a trembling trembling, “President Meng, the sinner Chu Guodong, begged Mr. Meng to raise his hands high and let the Chu family’s eldest son be spared. I am grateful!”

This scene was really humiliating. When the Chu family saw this scene, their eyes were distraught, extremely painful and sorrowful, but there was no way.

Their Chu family, in front of a big man like Meng Hao, is too weak and has no ability to resist.

Meng Hao laughed loudly, “Chu Guodong, Chu Guodong, look at you, you are too serious, I was just joking with you, I didn’t think you were serious. You are a young old man. Ah, how inappropriate it is to kneel down with me, hahaha.”

His ridicule and banter on his face made the Chu family even more angry. If they had this ability, they would want to kill Meng Hao!

Chu Guodong has let go of all his dignity, and now he is numb with humiliation in his heart, and said nonchalantly: “Please also Mr. Meng, let our youngest Chu family die, and beg Mr. Meng.”

Meng Hao said: “Look at what you said, I didn’t even say that I would kill your Chu family, but I just want you to pay back the money. After all, it is natural and righteous to pay off debts, right? That’s it, Chu Patriarch. , You are also a famous figure in Hwaseong, you have a face and a face. Since you have spoken, I will give you face, save you 50 million, you only need to pay me 600 million.”

“You!” Chu Huayou next to him couldn’t help it. He cursed loudly: “You

are unbelievable! You just agreed to your father, saying that you are willing to write off! Meng Hao, you are a big man, so Can you break your promise!”

The other Chu family members were also very angry, but Meng Hao’s face turned cold, and he snorted and said, “I’m just breaking my promise, what can you do, Chu Huayou, I warn you to show respect to Lao Tzu, and then take your fingers. Refer to Lao Tzu, Lao Tzu will break your legs!”

Being threatened by him, Chu Huayou immediately didn’t dare to point anymore, his face flushed, and he was about to vomit blood. Meng Hao was really shameless!

Chu Guodong was also very angry. He took a deep breath and forced himself to calm down. He gritted his teeth and said, “Mr. Meng, you know that our Chu family is over. Give us a hundred years and we can’t pay back so much money. You are a big person among big people, do you need to kill them all like this? Are you really willing to kill us all!”

Many Chu family members began to cry, especially the women and children, who couldn’t help crying, and the scene was very miserable.

Meng Hao had Erlang’s legs upright, he had a hard heart, and he didn’t care about the life or death of the Chu family. On the contrary, the more painful and struggling the Chu family, the happier he was, because the Chu family was Lin Ziming’s family! He abused the Chu family and was able to get infinite pleasure.

“Okay, I am not an unreasonable person, Meng Hao.” Meng Hao smiled again and said meaningfully: “I have heard that there is a great beauty in your Chu family, named Chu Fei, who is also the No. 1 expert in G province. Ming’s wife, I really want to get to know each other. In this way, you hand over Chu Fei, and I promise that the account that your Chu family owes me is really written off. How about, this deal is a good deal, right?”
