

## Chapter: 1249

This is absolutely impossible!

He also chased up to Qilian Mountain that day, and saw with his own eyes that Lin Ziming died in Jian Rushuang's hands, and the big explosion that day was able to blow up a high-rise building to fly ashes. Lin Ziming was only the fourth in the Innate Realm. The master of the stage is still a mortal tire, how could it be stocked in that big bang!

Fake, it must be fake!

"Hahahaha..." He laughed loudly again. Seeing the clumsy performances of the Chu family in front of him, he felt funny. They were all dying, and they came to such a hand, really thinking that he could be deceived. Past?

"I said you were too naive. I really thought that this would fool me?" Meng Hao snorted and said, "My patience has been polished by you. If you are still like this, then die for me!"

He waved his big hand again and ordered those men to continue to attack the Chu Family.

However, those subordinates did not listen to him anymore, as if they had been acupuncture points, they were startled in place, and with expressions of fear on their faces, they looked towards the door.

Finally, Meng Hao discovered something was wrong...

Is it possible that Lin Ziming is really dead, and he is back?

This is impossible! He clearly saw Lin Ziming killed in the big bang! Moreover, even if Lin Ziming came back, he would definitely be able to feel it, but now, in his perception, the doorway was breathless.

So, this must be false, either these people's hallucinations or his hallucinations.

I think so, but in his heart, he has already begun to panic...

He didn't even dare to look back, because the price of Lin Ziming's return was too great.

And time will never wait for anyone. At this moment, Chu Qing has rushed to Lin Ziming, threw himself into Lin Ziming's arms, and cried out: "Uncle! You are finally back, Chu Qing I'm so scared. Some bad guys will bully us and kill us, oooooo..."

Lin Ziming saw the child crying so hard, his nose and tears bursting into tears, he was very heartbroken, and at the same time, his anger towards Meng Hao continued to rise!

He hugged Chu Qing in his arms, helped him wipe away the tears, and said comfortingly: "Xiao Qing doesn't cry, my uncle has already returned, and there will be no more bad guys to bully you."

This voice appeared and reached Meng Hao's ears, and immediately caused him to be stunned!

Strong fear and panic finally appeared on his face.

He was so familiar with this voice. On the Lion Rock, he had only heard a few words, and he had already remembered it deeply in his soul!

This is Lin Ziming's voice! !

But how is this possible? Isn't Lin Ziming dead? He clearly saw that Lin Ziming was chased by Jian Rushuang, and finally died in the big explosion!

You know, Jian Rushuang is a peerless powerhouse of Dzogchen in the Innate Realm, and it is absolutely invincible before the immortal of the Immortal Vajra is born!

His brain was messed up all of a sudden now, even with his mental quality, now he is completely unable to calm down, panic, and fearful.

Lin Ziming's words seemed to have magical powers, which made Chu Qing's feelings of fear settle down. He nodded vigorously, then pointed at Meng Hao, and said loudly, "Uncle! This bad guy is bullying us! He wants grandpa! Kneeling and said to kill us! He threatened grandpa and handed over the whereabouts of my aunt... Uncle, where have you been during this time, we all miss you so much! Aunt, she, I heard you didn't come back that night She fainted all of a sudden, and now she doesn't know where she went, uncle, you are back now, can you find aunt back? Xiaoqing misses her aunt very much!"
