

Chapter: 1253

Lin Ziming was completely shocked.

He has heard of selective amnesia, which is a rare type of amnesia and extremely difficult to treat.

Logically speaking, Chu Fei swallowed the Spirit Fruit of Heaven and Earth. She is now a master of the innate realm. Whether she is physically strong or spiritually strong, she is far superior to ordinary people. How can she lose her memory? And still selective amnesia!

“Where is she now, I’m going to see her!” Lin Ziming said firmly.

Everyone in the Chu family fell silent, and they didn’t even dare to face Lin Ziming.

In the end, Chu Guodong still answered, “Oh! Feifei lost everything about you, even if someone mentions your name, she can’t remember it at all. She only remembers that there is one in her life that she is very Important people, but she can’t remember. For this reason, her temperament changed drastically, she couldn’t say three words a day, and she became indifferent to everything in the world. Even our relatives, she had no concern for her. Later, after she was discharged from the hospital, she chose to become a monk...”

Lin Ziming’s face was pale.

Closed his eyes, two lines of tears shed from the corner of his eye.

silence.

There was a long, long silence, until everyone thought he was asleep.

“Ziming, you don’t need to be too sad. I believe Feifei has just forgotten you temporarily, and she should be able to remember you soon.” Chu Guodong comforted again, but he said that, but he didn’t know how old he was. Believe it, obviously, from the doctor, he already knows how serious Chu Fei’s amnesia is.

Other Chu family members also began to comfort Lin Ziming.

I don’t know how long it took, Lin Ziming spoke again, “Feifei should be in Miaoxuan Temple.”

“Right.” Chu Guodong nodded.

Lin Ziming said: “Grandpa, dear elders, I’m going to find Feifei first, and then I won’t accompany you. I will arrange for someone to come and solve the problem of today’s hand. Just wait.

When he said that, he stood up, ready to leave.

“Ziming.” Chu Guodong stopped him, “If Feifei still doesn’t remember you, don’t force her too much, the doctor said, she is very weak now.”

“Okay.” Lin Ziming nodded and agreed, and then walked away.

He made a phone call to Jiang Liqun, briefly confessed, and asked Jiang Liqun to come over and take over all the affairs of the Chu family!

He is now going to the Miaoxuan Temple for the first time and see Chu Fei. Miaoxuan Temple, located in Hwaseong, is a quiet and remote nun's house in Hwaseong. Lin Ziming had heard of this place before, but he had never been to it before.

Originally it would take an hour and a half to drive, but it only took him ten minutes to get there, and the speed was already reaching the extreme.

When he rushed to the foot of the Miaoxuan Temple, Lin Ziming felt extremely complicated.

His consciousness spread out, and soon covered the entire mountain...

In Miaoxuan Temple, there were more than twenty nuns, among them he felt a familiar breath.
