

Chapter: 1254

“Donor, please stay.”

Lin Ziming walked to the gate of Miaoxuan Temple and was about to go in. Two little nuns immediately came out to discourage Lin Ziming.

These two little nuns still have martial arts in their bodies, and they have reached the realm of masters. You know, they are only fifteen or six years old.

Moreover, in them, there is a sense of tranquility and detachment in the red dust, which makes Lin Ziming, a person from the world, feel so strange and repulsive.

Lin Ziming put his hands together and said politely: “Lin Ziming is Chu Fei’s husband in the next place. This time, he came here to take his wife home and ask the two little sisters and aunts to relax.”

Now Lin Ziming didn’t have any fluctuations in his true energy, he was just an ordinary person who was elegant and eager for his wife.

“Lin Shizhu, I’m sorry, we don’t have a figure like Chu Fei in Miaoxuan Temple.”

With that said, they are about to close the door.

“Wait a minute!” Lin Ziming hurried forward, pressing her feet against the wooden door, and said, “Chu Fei is the real name of her wife. She is beautiful in appearance. She is twenty-six years old and is 1.68 meters tall. She suffers from selectivity. Amnesia, I came to Miaoxuan Temple for meditation ten days ago. You must have met her! Please also ask the two little sisters and aunts to be accommodating, because my wife is really important to me!”

Lin Ziming was moved by love and reason, hoping that the two little nuns could be accommodating.

Even though his martial arts can reach the sky, he can be beaten by force, but he can’t do it, and he doesn’t want to do it! This is a Buddhist sacred place, and the people living in it are a group of otherworldly nuns. He can’t be so reckless, otherwise, what is the difference between Meng Hao and his cousins?

The two little nuns looked at each other and began to make eye contact. Obviously, they knew Chu Fei.

Lin Ziming was pleasantly surprised when he saw their reaction, which showed that Chu Fei was here.

At this moment, an ethereal voice came from Miaoxuan Temple, “Miaoyin, Miaochen, what are you whispering outside, don’t come in to perform the shaved ceremony.”

“Yes, Uncle Chi, Miao Yin (Miao Chen) will be back now.”

The two little nuns said quickly, and then they were about to close the door

and enter.

For some reason, Lin Ziming suddenly became nervous when he heard the word shaved.

“Two little sisters, who do you shave for? Are you shaved for my wife? She can’t shave, she is my wife! You can’t be a monk!” Lin Ziming said anxiously.

At the same time, he quickly radiated his thoughts, wanting to see if the shaved inside was really Chu Fei himself!

However, his unfavorable consciousness snooping is actually useless here, because he can’t feel Chu Fei’s breath. In his spirit, even if he can feel the people inside, he can’t tell which is Chu. Philippines.

This means that it is not that his cultivation base has dropped, but that Chu Fei has changed and completely changed his face. That’s why his aura has undergone a huge change, so that he can’t find it!

“No! Miaoxuan Temple is a quiet place, not open to the outside world, please leave the donor!”

“Please leave, don’t embarrass us.”

Said the two little nuns.

At this time, how could Lin Ziming give up? If Chu Fei is really ordained in it, and he hasn’t stopped it in time, then Chu Fei will really become a monk!

The situation was urgent, and he couldn’t take care of that much anymore. He said something offensive, then pushed the door a little harder, pushed the door open, and walked inside.

His action immediately frightened the two little nuns, and said angrily and in a panic: “Hey! Why are you like this? You can’t go in!”
