

Chapter: 1263

Hearing these familiar words, Lin Ziming's lacrimal glands couldn't stretch anymore, tears streaming out, "Fei Fei, you are finally back, great, great." The man does not flick when he has tears, but he hasn't reached the point of sadness.

Lin Ziming is undoubtedly a man of steel will, no matter how difficult he is, he can face it with a smile, even in the face of death, he is calm, but now, facing Chu Fei's cry, He burst into tears directly.

Chu Fei also hugged Lin Ziming tightly, "You never leave me again, never leave me again..."

"Hmm, never leave you again!" Lin Ziming nodded vigorously, and agreed. Maybe Chu Fei was too tired, or Chu Fei was too excited. She rolled her eyes and passed out into a coma, nestling in Lin Ziming's arms.

Lin Ziming hugged her, felt her familiar breath, a hanging heart, and finally relaxed.

Not long after, Lin Ziming walked out holding Chu Fei and sincerely thanked the abbot old nun: "Abbot, thank you very much, my wife Feifei has returned."

"Amitabha Buddha, kindness is kindness." The abbot said with a smile and folded his hands together: the lover finally got married, congratulations to the donor."

Lin Ziming nodded, the happy smile on his face couldn't hide it, and thanked the abbot old nun, ready to hug Chu Fei down the mountain.

At this moment, from outside the Miaoxuan Temple, a middle-aged couple walked in and saw Lin Ziming. They were stunned, and everything in their hands fell to the ground.

It wasn't anyone, it was Chu Huaxiong and Liu Suhong. It turned out that they also came to the Miaoxuan Temple during this time and silently guarded Chu Fei.

Now when they saw Lin Ziming, they thought they had hallucinations at first. They didn't come back to their senses until Lin Ziming called out Mom and Dad. It turned out that it was Lin Ziming who had returned!

They were so excited that they cried directly. Obviously, during this period of time, they also suffered endless suffering.

Lin Ziming heard them talk a lot, and the guilt in his heart grew more and more. Before he knew it, he was already burdened a lot and became the backbone of him. Many people lived for him.

Fortunately, this time there was no danger. He finally came back and successfully broke through to the Great Perfection of the Innate Realm. In this way, his strength is stronger and he has more ability to protect the people around him.

Jiang Liqun moved quickly. When Lin Ziming returned to Yulong Bay, he had already bought back the endorsement, and everything remained the same.

Lin Ziming didn't go anywhere, he was guarding Chu Fei at home. Of course, he didn't have any idle time. During this time, he began to understand the situation in Hwaseong.

Even if he had prepared in advance, when he heard the report, he couldn't help getting angry, and he was full of anger in his heart!

In just half a month, his property in Hwaseong was nibbled clean, and Wang Shougui, Han Jinlong and others were also implicated!

And he knows all the people who cannibalize his property!

At the same time, for a long time, Lin Ziming survived a catastrophe, and the matter of his return quickly spread in the circle.

In a high-end clubhouse, there are several big guys who are soaking in hot springs and receiving the services of young girls. When he heard a call, he suddenly screamed out in shock: "What?! Lin Ziming is dead, he still came back?!"
