

## Chapter: 1265

Many young girls in the hot springs were left with big eyes and small eyes. They remembered the three words Lin Ziming, wondering who it was that could make so many big guys so gloomy?

In addition, in various places, there were also shocked voices one after another. They heard the news of Lin Ziming's return one after another, and they were extremely shocked.

It can be said that the entire upper class of Hwaseong City suffered a major earthquake that night.

All of a sudden, many people suffered from insomnia that night.

As the person involved, Lin Ziming was still in front of Chu Fei's bed, guarding Chu Fei, as long as he looked at Chu Fei, he was extremely satisfied.

One night passed, Chu Fei slowly woke up, opened her eyes, and heard a gentle voice, "Fei Fei, you are awake."

It was a familiar face, before her eyes, "Ziming, is it really you?"

Lin Ziming held her catkin, and said softly: "Fool, it's me naturally. I promised you that I will come back. Have you forgotten it?"

Seeing Lin Ziming's smile, Chu Fei immediately fell into it.

And Lin Ziming also completely relaxed, the original Chu Fei really returned, and all his efforts were in vain.

And now Chu Fei's body is very healthy, and her cultivation level is stable in the Innate Realm. Then, as long as Lin Ziming teaches Chu Fei martial arts, then Chu Fei can become a true Inborn Realm master, and she has the ability to protect herself.

Only in this way can Lin Ziming feel more at ease.

After staying with Chu Fei for a long time, Chu Fei proactively said, "Ziming, go ahead. You are back this time. There are a lot of things to deal with. I will take care of myself."

Chu Huaxiong and Liu Suhong also persuaded Lin Ziming to deal with things and do what men should do.

Lin Ziming was also not hypocritical. He nodded and said, "Okay, when I finish dealing with things, I will come back to accompany you well."

Chu Fei smiled sweetly, helped Lin Ziming tidy up the clothes, and personally sent Lin Ziming out, as if she had become a virtuous wife.

"Go to Michelle Media."

"Yes, Lin Dong!"

Not long after I went to Ziqiong Media, Lin Ziming found that Ziqiong Media's sign had changed and became Ziyu Media.

In other words, Ziqiong Media is no longer Lin Ziming's, and it has been swallowed by other people using commercial means.

Lin Ziming is very affectionate for Ziqiong Media. It was originally an industry of the Lin family, but it was later acquired by him and developed in his hands. The market value once reached 20 billion... He wants to see it now. Who is so courageous to touch his things!

“Stop! This is Ziyu Media. The idlers are not allowed to enter!” Lin Ziming was about to walk in, but was immediately stopped by the security guard at the door. They looked like superiors and saw that Lin Ziming didn't look like a rich man. , Speaking very rudely.

Lin Ziming was too lazy to be familiar with such ants. He rushed in. The two security guards immediately became annoyed and cursed: “I don't want to see where this is, but I dare to make trouble here. I think you are alive. I'm getting impatient!!”

With that, the two security guards took out the electric batons to stun Lin Ziming.

Lin Ziming didn't even look at it, but kicked it out with both feet. The two security guards were kicked out like balls and hit the front desk hard, making a huge movement, which scared everyone in the lobby on the first floor. .
