After Wang Shougui finished shouting this sentence, he suddenly shook his head, not believing it was true, and muttered to himself: “An illusion, it must be an illusion. Lin Dong is dead, Lin Dong is dead... .”

Lin Ziming felt even more uncomfortable when he heard this, and at the same time became more angry!

“Old Wang, it’s me, I’m dead, and I’m back.” Lin Ziming walked over and pulled Wang Shougui up.

Wang Shougui finally realized that Lin Ziming in front of him was real, not his hallucinations. He opened his eyes wide, and then became extremely excited, “Hahaha! Lin Dong! It’s really you who came back, too. Okay, this is really great! I know that Lin Dongji people have their own looks, and there will be nothing wrong with them, hahaha! They are all villains, shameless villains! There is no tiger in the mountain, and the monkey is the king! Wang Shougui shook his head and said: “No! Lin Dong, as long as you can trust your subordinates, they can still use the knife to fight for Lin Dong. Moreover, the subordinates also want to see Lin Dong kill the Quartet with their own eyes. The ass of the villain is pissing!”

“Good!” Lin Ziming nodded vigorously and agreed.

Zhai Qing said: "It's Lin Ziming, he's back! Chairman, what should we do now?"

"Impossible!" The chairman immediately interrupted Zhai Qing excitedly, "You are farting! Lin Ziming is dead, how did he come back? Did you see his ghost?"
