

Chapter: 1270

He couldn't even speak now, and his whole body was shaking.

You know, he is a business crocodile, he is also a person who has experienced big winds and waves, even if he is facing a big person with a big background, he can be treated calmly, but now in front of Lin Ziming, he is worse than a primary school student.

"I, I, I..." He was trembling, completely speechless. In line with his embarrassed appearance, he didn't even wear his pants, let alone how funny it was.

Lin Ziming said directly to Wang Shougui, "Pharaoh, it's time for you to take revenge."

Wang Shougui has followed Lin Ziming for so long, but he still couldn't understand Lin Ziming's meaning. He nodded vigorously, and then strode towards Ma Kainian, fiercely fierce.

"Hey, Wang Shougui, what do you want to do, I warn you, don't mess around...Ah!!!"

With a bang, Wang Shougui walked over and kicked Ma Kainian's crotch, kicked Ma Kainian and screamed in pain, and fell heavily to the ground.

Wang Shougui kicked him so hard that he was kicked and scrapped, and the pain made him cry and howl.

But Wang Shougui still refused to let him go. Pressing him was just a punch and kick, slapped his face, "Ma Kainian, let you humiliate Lao Tzu, make you arrogant! Lao Tzu kills you!"

Wang Shougui now burst out with power that does not belong to him. It was a fat beating against Ma Kainian, and he also caught Ma Kainian's fragility and smashed it. That scene was too bloody and brutal. After a while, When Ma Kainian was opened, the blood rushed out, which made many people in the audience feel scared.

Especially Zhai Qing and the secretary were so scared that they were crying.

"Don't fight, don't fight..."

Ma Kainian's voice begging for mercy was weakened, and finally collapsed on the ground, only the breath that came out was not breathable, and he was dying.

Wang Shougui was also sweating and panting. The amount of exercise just now was the limit for him.

"Hahahaha, cool, so cool!" Wang Shougui vented out, raising his head and laughing.

Those employees who were present saw his terrifying appearance, and they were even more in awe of him.

Lin Ziming saw from the beginning to the end. He didn't feel wrong about Wang Shougui's way, but he admired it very much. A man should be like

this, able to bend and stretch, and be happy with enmity.

“Dong Lin, I’m sorry, my subordinates lost their attitude just now.” Wang Shougui gradually calmed down and apologized to Lin Ziming.

Lin Ziming waved his hand and said: “This is what a gaffe, you are doing a good job, and the man takes it as it is. If Ma Kainian bullied you, you should give it back ten times a hundred times.”

Wang Shougui nodded vigorously, and he admired Lin Ziming even more.

“Go away, don’t let me see you again.” Lin Ziming said to Ma Kainian coldly.

Ma Kai-nian, as if he received an amnesty, quickly stood up, “I’m going to get out of here, I’m going to get out of here!”

All the employees of Kunlun Group followed him.

Lin Ziming didn’t stop these people from leaving. Now that he is back, he naturally wants to take Ziqiong Media back.

Wang Shougui said with some worry: “Dong Lin, you have taken Ma Kai Nian back so easily now. If you don’t take Ma Kai Nian as a hostage, I am afraid Kunlun Group will do its best to deal with you.”
