

Chapter: 1275

When they heard this, they also thought of this, and Peng Zhuo sighed for a long time, "Since he has survived, why should he come back? And he came back so high-profile..."

This is exactly what other people are worried about. Now that Lin Ziming is back, it is not necessarily a good thing.

"I really want to ask him why he did this! There is a great life, but he has to spoil himself like this, even if he breaks through to the incorruptible body of King Kong, how can he be against the country?" Sun Lianghen The expression that iron is not steel.

Because of the dissemination of this message, they all had no intention of continuing the meeting.

In fact, the three places of Xuanyuan are also facing considerable difficulties. Now the foreign forces have infiltrated China more seriously, and they are now unable to do what they want.

This couldn't help but make them think, if Lin Ziming had done that, he still belonged to the third place of Xuanyuan, then it would be great!

It's a pity that there are no such things.

Next, they all inquired about what Lin Ziming had done after his return, and completely accepted Lin Ziming's resurrection from death.

They are all waiting, they know about this, they will definitely do something, just hope that this day will come later.

In Ziqiong Media, the chairman's office.

"Dong Lin, if you come back this time, it is estimated that the above will not let you off easily." Wang Shougui said worriedly.

Han Jinlong on the side also said: "Pharaoh was right. This time the Colorful Origin Fruit was robbed. I heard that the above was still very angry. Now that I know that you are back, I am afraid that someone will be sent to arrest you."

Lin Ziming was sitting on the boss chair, playing with two iron balls in his hand, jumping at his fingertips, as if he was full of life. There was not a trace of panic on his face, but a smile: "I have my own measure, you guys. Don't worry too much."

Hearing Lin Ziming's confidence, Wang Shougui and Han Jinlong also calmed down a lot. Although they don't know where Lin Ziming's confidence came from, they have absolute confidence in Lin Ziming. Since Lin Ziming has said so, then they absolutely There is no problem.

Wang Shougui and Han Jinlong had outstanding abilities, and they managed the company in two days.

Lin Ziming was very relieved of their abilities.

In fact, in the past two days, Lin Ziming went to find the clown, only to find

that the clown was no longer in Hwaseong, and the phone call became an empty number.

Lin Ziming has continued to look for it, because he knows that this situation means that the clown Shiyou** is back to Luotian organization.

Tonight, Lin Ziming let out a word, in a commanding tone, to let everyone who has been involved in his property come to plead guilty. Anyone who does not come will have a dead end!

The spread of this message immediately caused an earthquake, and everyone who participated in it began to panic and tremble.

Almost the entire gaze of Province G was focused here to see how many people would show up, begging Lin Ziming for mercy, and how many people would choose to break the boat.
