“Well, we have met each other somehow, and now you kowtow to us to admit our mistakes, we can consider letting you die. How about it? It’s enough to speak of loyalty.”

The others laughed again.

Wang Shougui and Han Jinlong trembled with anger, but they didn’t know what to do. They were very bitter now, and even regretted it. They felt that Lin Ziming had asked a lot of people this time, so they called such a few people over. Thousands of people, this is not a battle of the same level at all. They couldn’t help looking at Lin Ziming, and seeing that Lin Ziming was still calm, they couldn’t figure out what Lin Ziming was thinking.

Ma Kaiyu stared at Lin Ziming fiercely. He was particularly upset when he saw Lin Ziming could be so calm, “Lin Ziming! The last time you beat my son, I didn’t settle accounts with you! Today, I see you. It’s winged...”

Finally, at this moment, Lin Ziming spoke.

“Shut up.” He was just two simple words, not very domineering, and just spoke indifferently, but when he fell into Ma Kaiyu’s ears, it was very powerful, and Ma Kaiyu was immediately frightened. , Can’t help but shut up, dare not say any more.

Seeing that others were looking at him with a little contempt, Ma Kaiyu came back to his senses and furiously said, “Lin Ziming, you are about to die, and you dare to be tough! I’m here today, what can you do with me!” ”

Ma Kaiyu became furious, but he boasted that he went to Haikou tonight to make Lin Ziming’s fart pissing. In the end, he was frightened by Lin Ziming’s word, so how could he convince the public?

Lin Ziming frowned slightly and said, “It’s really noisy.”

After finishing speaking, I saw that his middle finger was stained with a drop of water on the table, and then he buckled his thumb and flicked towards Ma Kaiyu. Only a slight buzzing sound was heard. The drop of water swiftly flew towards Ma Kaiyu, almost In an instant, it hit Ma Kaiyu’s mouth, made him scream, fell to the ground, covered his mouth and rolled on the ground, his face full of pain.

This shocking change stunned everyone present. No one thought that Lin Ziming would still have such a hand, but if it gets wet, he can hurt people more than ten meters away. This is too scary. Up.

Ma Kaiyu was yelling now, but he was really speechless.

Wang Shougui and Han Jinlong also opened their eyes wide, and they were shocked. They knew that Lin Ziming’s martial arts was very high, but the magical skills that Lin Ziming showed just now still scared them, and at the same time their panic was relaxed. a lot of.

“you you you.....”

The nonsense pupils on the side shrank, obviously being frightened,

pointing at Lin Ziming and couldn't say the whole thing.

The arrogant arrogance of other people was extinguished a lot at this moment.

Regardless of the large number of them, they are ordinary people after all, and they still have instinctive awe for this approach that is almost magical.

It also made them realize that even though they were crowded, it was easy to kill any of them by Lin Ziming's method.

Lin Ziming stood up, squinted his eyes slightly, and swept everyone. His aura was constantly being raised at this moment, and he actually overwhelmed thousands of them, as if he was not surrounded, but he was surrounded by thousands alone. people!
