

Chapter: 1280

“A group of ants, no matter how many come, they are also ants, and they want to contend with the dragon? It’s a joke!” Lin Ziming said this domineering and unparalleled. He stood there as a god of war on earth, making countless Xiaos be careful and timid, not dare to offend.

“I called you to come over tonight, originally for the sake of everyone’s acquaintance. As long as you are sincere and apologize to me, I will let you go.” Lin Ziming said here, his tone of voice, his eyes Rudian swept all of them, and the words spoken were majestic, like thunder falling to the ground, punishing sinners, “but you are dying, and you dare to challenge me!”

This scene is very shocking. Lin Ziming clearly has only one person, and there are thousands of them. The real one can drown Lin Ziming with one spit, but they are afraid of Lin Ziming, and every one of them is stared at by Lin Ziming. People at, will feel fear from the bottom of their hearts, and quickly lower their heads, not daring to face Lin Ziming at all!

Some people even backed down and retreated.

“Kneel down to me, those who obey me live, those who oppose me die!”

Lin Ziming stood with his hands in front of them, looking at them like a king.

Lin Ziming’s aura was huge, and it was a great shock and threat to them, causing their aura to disperse again and again.

As the saying goes, they are dying, then failing, and exhausting, they are already beginning to fail.

Some people have really collapsed and are ready to kneel down for Lin Ziming.

At this moment, a disdainful voice rang from behind the crowd, “Lin Ziming, you, a sinner who knows nothing about life and death, put it on Lao Tzu!”

The sound was huge, like a thunder in the sky, resounding through the audience, reaching the ears of everyone present, rumbling loudly, as if the thunder fell to the ground, it made people feel convulsed, and could not help but feel fear.

Especially the people on Lin Ziming’s side, felt the boundless pressure, as if thunder broke out in their ears, making them extremely frightened, their faces pale!

But the voice fell, and what appeared in front of them was a tall figure, a uniform, full of iron and hardcore, like a steel man, no one, it was Zhong Tao.

He stared at Lin Ziming now, and his eyes burst out with a terrifying light, which was very scary.

Lin Ziming saw him, but the corners of his mouth rose slightly, revealing a smile that was not a smile, “I said that their group of ants, why are they so

bold, dare to hit my idea, it turns out that you are behind.”

Zhong Tao realized that he couldn't see through Lin Ziming. In his perception, Lin Ziming stood in front of him like a black mist, unpredictable. You know, before, he could see Lin Ziming's 80% strength. Yes, and now, he can't even see Lin Ziming's 50% strength.

This is not a good omen. The reason for this result is most likely because Lin Ziming's realm surpassed him too much. But he is already in the fourth stage of the Innate Realm. If Lin Ziming wants to overwhelm him at the realm, he must be the Great Perfection of the Innate Realm! And how is this possible!

In any case, he called Fang Xingping and the three of them this time, even if Lin Ziming was really innate, he could only drink hatred.

“Lin Ziming, I don't think you can shed tears without seeing the Yellow River! Last time on the Lion Mountain, you dared to swallow the colorful original fruit, and you have committed a terrible disaster! Now you dare to come back. I don't know how to write the dead words. I'm going to catch you back and face a military trial!” Zhong Tao squinted and said threateningly, full of threats and intimidation.

When Wang Shougui and Han Jinlong heard this, they both became nervous. Zhong Tao was not an ordinary person, but a big figure in the office, and his strength was extraordinary. If he shot Lin Ziming, then the result would be hard to say.
