

## Chapter: 1282

What is arrogance, what is domineering, what is invincibility, Lin Ziming is now.

Zhong Tao gritted his teeth with anger. He didn't think that Lin Ziming would escape in the hands of more than forty innate realm masters. He could actually escape in Jian Rushuang's hands, and now he has improved his cultivation base. There is no sense!

How can there be such perverted people in this world, how can other people live!

Zhong Tao stared at Lin Ziming fiercely, the murderous intent in his heart reached a peak. He realized that if Lin Ziming was not killed this time, then Shangfeng knew that Lin Ziming had such potential, and he was not sure whether he would continue to punish Lin Ziming!

After all, in this era, the most precious thing is talent.

Moreover, Lin Ziming really wanted to be investigated, and the crime was not counted as treason, but just defying Shangfeng's order.

Therefore, at this moment, he has made up his mind to kill Lin Ziming tonight!

Kill it at all costs!

Fortunately, he had the foresight and called Fang Xingping and the three of them.

"Hahahaha..." Zhong Tao laughed loudly. The laughter went straight into the sky and shook the world. He stared at Lin Ziming, "Lin Ziming, Lin Ziming, you really think you have eaten colorful Origin fruit, is the world invincible? Give me a hand? The tone is arrogant! Since you are so arrogant, then I will fulfill you!"

He snapped his fingers, and immediately, almost at the same time, three people appeared beside him, namely Fang Xingping, Luo Hongyang and Lu Qisi.

Lin Ziming looked at them, squinted his eyes, without the slightest timidity, but showed boundless fighting spirit.

What he was waiting for was the appearance of these three masters.

The four masters of the fourth stage of the innate realm, this is a huge power that cannot be underestimated when looking at the whole country! If you reach certain small countries, you will be able to crush a small country. With the four of them, you can completely destroy a small country!

But in front of Lin Ziming, there were sandbags, the four best sandbags.

"You finally showed up, okay, okay, okay!" Lin Ziming's momentum is steadily rising. At this moment, he is no longer alone, but a god of war, a god born for battle!

Zhong Tao and the four of them felt Lin Ziming's momentum, and when they looked at each other, they all saw the intense murderous intent and

deep jealousy in each other's eyes!

Yes, they were extremely jealous of Lin Ziming. Seeing Lin Ziming, Ji Shengyu and He Shengliang felt unwilling.

You must know that they are all first-class geniuses, but now, in front of Lin Ziming, they look so gloomy, they are completely compared.

They couldn't imagine why Lin Ziming could escape under that situation and still grow to this state.

There is only one possibility, that is, the power of the Colorful Origin Fruit. Lin Ziming has swallowed the Colorful Origin Fruit, so he can not only escape, but the injury heals very quickly.

Lin Ziming's talent is terrifying enough, and now he has eaten the seven-color origin fruit that has been born in a hundred years, and the future is unlimited. If Lin Ziming is allowed to leave alive tonight, then it will be them who will be unlucky next.

So Lin Ziming must die!

"Lin Ziming, today is your death date!"

"You treasonous sinner, today we are going to walk for the heavens and destroy you!"

"Lin Ziming, die for Lao Tzu!"
