

Chapter: 1288

This matter tonight soon settled down.

Lin Ziming did not kill Ma Kaiyu, Chen Xiao and others.

But capital crimes can be avoided and living crimes cannot be escaped, and Lin Ziming will naturally not let them go so easily.

Lin Ziming ruthlessly knocked off each of them and one leg, and ate two-thirds of their assets, which caused them to bleed so much that Lin Ziming let them go.

As a result, Lin Ziming's power directly increased several times, and he became a giant in Province G.

And after this incident, his reputation will be made again!

This is also the effect he wants to achieve. Since he is back this time, there is no need to keep a low profile.

As for the four of Zhong Tao and Fang Xingping, Lin Ziming did not continue to embarrass them. After the lesson, he let them go.

It's not about Lin Ziming's magnanimousness, but the inability to stop the road. In any case, Zhong Tao is also a talent of Hua Guo, who has made great contributions to Hua Guo. If Lin Ziming really beats them to death, then It really stopped the road, a smart person like Lin Ziming would definitely not do such a thing.

Moreover, with Lin Ziming's strength, there is no need to be afraid of their revenge. If they really dare to retaliate, then there will be means to punish them.

"Zhong Tao, I blame you, I'm tired of the three too! I said you are so honest, what did you offend the evil star Lin Ziming!"

After Lin Ziming and others had left, Fang Xingping stood up struggling, gritted his teeth and cursed at Zhong Tao, full of resentment.

Luo Hongyang also cursed, "I was killed by you this time, and the bones in his body were broken in half! Don't even think about breaking through to the realm of Dzogchen in this life, grass!"

Lv Qisi was equally angry: "I knew I shouldn't have come with you. If I was severely injured, Lin Ziming was completely offended! The congenital realm is great, the congenital realm is great when you are under 30 years old. Consummation, what kind of concept is this! Even the old man of the military god, he was not so defying the sky back then!"

Hearing the word 'Military God', the eyes of the other three showed worship and awe, and they were awed. This is the soul of Hua Guo. I don't know how much credit has been made for Hua Guo. If it weren't for the existence of a military god, Hua Guo There is absolutely no peace now.

Zhong Tao's expression was ugly to the extreme. This time he did kick to the iron plate. Wan Wanwan had thought that Lin Ziming actually broke through to the realm of Dzogchen. The four of them were not opponents

when they teamed up.

“Enough!” Zhong Tao stood up with difficulty. Although he was seriously injured, he was not life-threatening. He could recover after taking a good rest. “He Lin Ziming What kind of thing can be compared to the old man of the military god?!”

“You don’t have to look at me like this. What happened tonight is your own willingness to come. You must remember that you have received a lot of benefits!” Zhong Tao said coldly, because his actions were too big. , The wound was so painful that he gritted his teeth.

Fang Xingping snorted heavily, feeling very upset, but there was no rebuttal. What Zhong Tao said is not bad, they have indeed received a lot of benefits, and they are already on the same boat.

“Lin Ziming is a big problem, let him continue to develop, and he is not allowed to become the second army god, then we will never stand up again!” Luo Hongyang said in distress.

Zhong Tao snorted, and said: “That’s impossible! This time he defied the military order and swallowed the seven-color source fruit. He is already suffering from a capital crime. The character of Shangfeng will definitely not spare him! Besides, he took us four this time. If a person is beaten up like this, he has only one dead end!”
