

Chapter: 1309

Fortunately, Deng Kai has not changed, and there is no reason to look down on him because he is now 'down and down'.

However, he looked around and didn't even see Deng Kai. Even Han Ruxin was not here, which made him a little surprised. Didn't Deng Kai and Han Ruxin come up first? Why are they still seeing people now? .

At this moment, he heard the sound of footsteps coming from outside, and then accompanied by the welcoming sound of Miss Yingbin, he looked back and immediately saw Deng Kai and Han Ruxin, walking in surrounded by a few bodyguards. .

"Look, Han Ruxin is here!"

"Wow, President Han is indeed President Han. It is getting more and more beautiful every year, like a star on TV. I don't know who is so lucky to be able to pursue President Han!"

"Nonsense, Han Ruxin is now the boss of several companies, with a net worth of one billion. As for the super woman, the monthly maintenance costs are enough for us to make a year! Isn't this beautiful? ?"

"Yes, now in our class, the richest person is Mr. Han, right?"

Many classmates suddenly saw Han Ruxin's eyes, especially those male classmates, all of them stared straight, and they made no secret of the enthusiasm for Han Ruxin.

Dai Xinghuai couldn't move his eyes even more, swallowing his saliva fiercely, especially coveting Han Ruxin.

Lin Ziming looked at Han Ruxin faintly, without any surprise in her eyes. It is undeniable that Han Ruxin is indeed quite beautiful and has a decent figure, but it is still far short of the best products like Chu Fei and Tao Sanniang.

Especially in terms of temperament, Han Ruxin seemed a bit vulgar.

Originally, he was expecting to meet Han Ruxin again, but the performance downstairs just now made him dispel this thought. Like many classmates, Han Ruxin has changed, not the innocent little girl before.

Soon, these students took the initiative to greet Han Ruxin, all of them were flattering, all kinds of flattering, licking Han Ruxin's stinky feet.

And Deng Kai, who was with Han Ruxin, was simply ignored. Those classmates didn't even bother to say hello to him.

Deng Kai was not angry or unhappy. It seemed that he was used to this kind of scene. He obediently left Han Ruxin. He took two steps, his eyes lit up, and he strode towards Lin Ziming. Come over, pat Lin Ziming on the shoulder, and say, "You kid, you came up so soon, I thought you would not find your way!"

Lin Ziming smiled, shifted his position, and said with a smile, "Didn't you say it's on the 13th floor, you can't find this. Do you really treat me as a low

energy?”

“Hahaha, let me be a joke.” Deng Kai smiled heartily, and did not dislike Lin Ziming because of Lin Ziming’s downfall. Instead, he saw Lin Ziming looking at Han Ruxin’s side, what he realized, He deliberately said relaxedly: “Hey, you were ridiculed by Dai Xinghuai just now? Don’t worry about them. They are like this, their mouths are very cheap, in fact, the people are not bad. This classmate’s reunion is also a few of them. Money, we don’t need to spend money, so just let go of the stomach and eat, haha.”

Lin Ziming felt warm when he heard Deng Kai’s words, and wanted to say something. At this time, Han Ruxin walked over here.
