

## Chapter: 1311

When Han Ruxin said this, many people became jealous of Lin Ziming. What kind of virtue Lin Ziming had accumulated in his previous life, he was able to win Han Ruxin's favor!

Dai Xinghuai couldn't listen anymore, he hurried out and said, "Ruxin, don't tease Lin Ziming. Do you think he is like a person who can afford to start a company? And he will attend the class meeting tonight. I drove a small eDonkey, and I estimated that my monthly income would be three or four thousand yuan, haha."

He said this very loudly, his expression was joking, but he was actually humiliating Lin Ziming, making everyone present laugh at it.

Han Ruxin also raised her mouth slightly, showing a smile.

Lin Ziming became more and more disappointed in them. He really didn't think that the old classmates of the past had become like a peddler. He didn't bother to pay attention to them anymore and said directly to Deng Kai: "Deng Kai, I have something to do. I will go back first. We keep in touch."

Deng Kai was taken aback, and he quickly said: "Ah? You just came here, why are you leaving? We have a show next, we have to go to the resort later."

Lin Ziming shook his head and said, "No, I'm not interested in this. Let's play."

Everyone started to laugh when they heard what he said and achieved their goal.

A female classmate said: "Oh, Lin Ziming, we just made a joke with you, shouldn't you be so stingy?"

Another male student said: "Yes, everyone has been an old classmate for so many years, and you have been missing for so many years, and you don't come to the class reunion every year. We just made a joke with you and you get angry. You are too stingy!"

"Lin Ziming, are you like this? They are all people who are almost 30 years old, and the measurement is still so small, so you can't make money in the society."

"Isn't it? You are the 'big boss' who has opened several companies, do you have this kind of magnanimity? Then I really want to doubt whether you are really capable of starting a company, haha. But what I said just now was just a joke. Don't take it to heart. I definitely believe that you have the ability to start a company. After all, you can register a company as long as you have an ID card."

They are more yin and yang than the other, just deliberately disgusting Lin Ziming, that face is especially ugly.

Lin Ziming didn't know what to say, he was used to it a long time ago, and besides, he was already disappointed with this group of classmates, how

could he be affected? He just ignored it.

But Deng Kai couldn't stand it. In his opinion, Lin Ziming came to attend the class meeting because of him. He originally thought it was these classmates. After seeing Lin Ziming for so long, he would definitely welcome Lin Ziming very much. Unexpectedly, it would be the scene like today, and Lin Ziming was actually taken away!

These guys, even if they hurt him in the past, he is indeed rubbish. After so many years, he still works as Han Ruxin's driver. But Lin Ziming is different. Lin Ziming used to be a super rich second-generation, and he is also a smart person. Now that he is down and out, he is already uncomfortable. Even being mocked by these old classmates, he must be even more uncomfortable in his heart!

So his face flushed, and he shouted loudly, "Hey! You guys, that's enough! Yes, Lin Ziming has indeed fallen for years, but is it necessary for you to harm him like this! Everyone! It's a class! When I was in school, Lin Ziming didn't take care of you. He often bought breakfast for you, fruits, snacks, each of you ate a lot! And you, Dai Xinghuai, you offended that time The sting of the third class, it was not Lin Ziming who came forward, you were beaten into a dog long ago! Now that you have money, you have turned around to mock Lin Ziming? Are you still a human!"

Deng Kai was particularly excited. He has been very unsatisfactory over the years. He bent forward to live a life. Others humiliated him. He can still bear it, because he knows he is useless, but others humiliate his good friends. Ignore!
