

Chapter: 1313

“It’s wrong, apologize!”

The other students all began to agree and strongly ordered Deng Kai to apologize.

Deng Kai gritted his teeth and said, “I didn’t say anything wrong, why should I apologize, you guys”

At this moment, Han Ruxin interrupted him and said coldly: “Deng Kai, apologize.”

When Deng Kai heard this, his body shook severely, gritted his teeth tightly, lowered his head, particularly unwilling, and particularly humiliated. He asked him to apologize in front of so many classmates. His dignity is really a shame!

However, Han Ruxin has already spoken, if he does not apologize, Han Ruxin will really fire him!

The worst part is that he still has half a month’s salary, which is held by Han Ruxin. If he is fired by Han Ruxin now, then the money will not be available. Anyway, this is tens of thousands of yuan. .

“I” Deng Kai raised his head, looked at Han Ruxin with pleading eyes, and said in a begging tone: “Mr. Han, I just said casually, I don’t mean to be disrespectful to you.”

However, Han Ruxin would not pity him at all, and said coldly again: “I don’t have much patience. I will give you one last chance.”

Deng Kai was completely panicked now. His heart was extremely suffocated and painful. He used to be a very bloody person, but over the years, he has been smoothed out by life, and his straight waist has also been compromised. Up!

He took a deep breath and could only lower his head and apologize.

Just as he was about to speak, Lin Ziming put his shoulders on his shoulders, his eyes revealed profoundly and said: “Deng Kai, don’t apologize, you didn’t say anything wrong, it was them.

Deng Kai trembled slightly, looked up at Lin Ziming, with a reluctant smile, and said, “If it’s something, I just apologize, I’m having trouble. Ziming, I’m sorry, I didn’t expect this to happen. of.”

Lin Ziming looked at him and said, “Deng Kai, if I tell you that I am richer than you think, I can make you a master with one word, even Han Ruxin will rely on you. Snort, would you believe it?”

“Huh?” Deng Kai was stunned when he heard this. The first reaction was that Lin Ziming was joking, and the second reaction was that Lin Ziming had a mental problem. Otherwise, how could he say such a thing? ?

Just ask, would a person with so much energy wear such shabby clothes and ride a small electric donkey all day long?

“Puff!”

Someone immediately held back and laughed, “Oh, then you are really awesome! Wouldn’t you say that you are the richest man in Province G?”

“Hahaha, I’m so laughing, I see too many bragging people, it’s the first time I’ve seen it like this.”

“This is not bragging, this is crazy, there is a mental problem.”

Han Ruxin also laughed, making no secret of her contempt for Lin Ziming. She is so happy now that she can finally raise her eyebrows well in front of Lin Ziming! She wanted Lin Ziming to know that rejecting her was the worst decision Lin Ziming had ever made in his life!
