

Chapter: 1327

It happened that his action was caught by the short-haired woman, who suddenly became angry and cursed loudly: "You are looking for death!" She shot more fiercely now, punch after punch, all killing moves, and greeted Lin Ziming's fragile place.

Lin Ziming frowned deeper, and he said, "Enough, I am Lin Ziming, the one who came to find the God of War and Shangfeng is not yours. You can stop."

"Shut up! You a disciple, just like you, you dare to speak wildly to see Grandpa Army God and my grandpa?!" The short-haired woman cursed loudly.

But Lin Ziming had a headache even more when he heard the words. This time it really caused trouble. The short-haired woman in front of him had a terrifying background!

From this, she is the granddaughter of Shangguan Wei'an.

He was so good, why did he provoke such a evil star?

"I didn't lie to you. I really came to see Senior Martial God and Shangfeng. Stop it, so as not to wake Senior Martial God and your grandfather." Lin Ziming had no choice but to say calmly. There is no way, who calls this princess princess. The background is so big.

However, the other party didn't accept his affection at all. Instead, he saw that he hadn't been able to take him down, his eyes were golden, and he said, "Oh, I can't see that you have some ability, not bad."

Lin Ziming couldn't persuade the other party to say anything, and he deliberately coaxed a relatively big movement, but there was still no one in the yard, which made him very annoyed. What does this mean?

"Hey, you're enough, I'm anxious, I'm fighting back against you!" Lin Ziming said threateningly.

However, his words fell in the other party's ears, but it made her even more excited, her eyes brightened, and said: "Okay! I haven't found an opponent for a long time, please do it to me!"

Lin Ziming: "....."

He is speechless, a girl at the peak of the day after tomorrow, saying that he can't find a rival?

Yesterday, he saw with his own eyes that there were more than 30 masters of the innate realm here, which one came out and didn't crush her?

However, he could also see that this woman was a lunatic, and she believed in her own strength and self-confidence, that everyone except the God of War was no match for her.

Anyway, he had already given in enough, and the coaxing movement was big enough, but neither the military god nor Shangfeng had come out, indicating that this was their tacit approval.

Lin Ziming's mind flashed, and he was sure that the army god and Shang Feng wanted to take his hand to kill this woman's spirit?

Surely this is true.

So he snorted coldly and said, "Since you don't stop, don't blame me for being impolite."

Dealing with a woman who is subverted the day after tomorrow, for him, is no different from molesting children. He just casually presses the other party out of breath.

Originally, Lin Ziming thought that if he showed part of his strength and crushed the opponent, then the opponent would definitely retreat.

However, not only did the opponent retreat without knowing the difficulties, but the light in his eyes became brighter and excitedly said: "This is a decent opponent, haha, use your full strength and attack me! "
