

Chapter: 1328

Lin Ziming was speechless. He was a dignified master of Dzogchen in the congenital realm. He actually fought against a girl who was at the pinnacle of the day after tomorrow, and this girl was still yelling at him frantically. If this spread out, it would be a joke.

Now Lin Ziming even wondered if Shangfeng thought it was too cheap for him yesterday, so today he specially found a princess to treat him.

Lin Ziming still had a headache. If it was another woman, he would just give it a lesson, but this obviously is Shangfeng's granddaughter, so he didn't dare to mess around with him.

"Enough, I am the Great Perfection of the Innate Realm, you and I are at the same level, stop it!" Lin Ziming increased his momentum a little and warned the other party.

However, the other party didn't believe it at all, and said contemptuously, "Innate Realm Dzogchen? You are a lie! Lie down for me!"

As she said, she shot more sharply, and a few kicks were specifically for Lin Ziming's bot lane, which was very fierce and made Lin Ziming a little annoyed.

"Shangfeng, Senior Army God, if you don't come out anymore, I can only offend it!" Lin Ziming said in a deep voice, he knew that the Army God and Shangfeng must know.

However, his words fell silent, and there was still no response, as if to ignore him.

At this time, the short-haired woman began to stick again, still saying, "It's a big man for you to be so afraid of death, it's shameful! What a trick!"

After finishing speaking, she immediately launched a fierce attack on Lin Ziming. She has to say that she still has two brushes at the peak of the day after tomorrow. If it was Lin Ziming before he could break through the innate realm, he might not be able to beat her.

This is a woman with very good martial arts talents, but her temper is too stinky, her personality is too selfish, she's so accustomed, she doesn't take into account the feelings of others.

The clay figurine has three points of anger, let alone Lin Ziming, he is also a super strong in the innate realm of Dzogchen. He is absolutely invincible when the King Kong is not bad. He also has the dignity of the strong. Now he is a girl who is the pinnacle of the acquired. Provoked again and again, if he hasn't been able to move, then what kind of strong is he?

He stepped back more than ten meters, staring at each other seriously, and said in a deep voice: "You have enough, my patience is limited, I am not your sparring partner, let alone your servant, you... ."

However, Lin Ziming hadn't finished what he said, so the other party rushed over and said disdainfully: "What is it? If you have the ability, defeat me. If

you have the ability, you will not beep!”
by!

Lin Ziming was really annoyed this time, but he gave the other party a lot of opportunities.

“In this case, don’t blame me for offending!” When he finished speaking, he began to move, almost at the extreme speed. The short-haired woman only felt that there was a flower in front of her. When she recovered, Lin Ziming was in front of her. Before, and with a fist on her forehead, “I told you that you are not my opponent.”

The short-haired woman was taken aback, and she screamed in her heart, so fast, she was not stupid, and now she naturally realized that Lin Ziming’s skill was far above her. But she didn’t have any thoughts of shrinking, on the contrary, she became even more excited, “Really a master, that’s more to my liking!”

Without any fear, she shot Lin Ziming again.

Lin Ziming was dumbfounded, who is this, so I don’t know what is good or bad, knowing that he is not an opponent, so he keeps going?

“Hey, you are sick, I said you are not my opponent.” Lin Ziming became even more angry.

“Stop talking nonsense, if you have the ability to knock me down, or I won’t let you go.” The short-haired woman’s tone was crazy, full of excitement, as if she had discovered a treasure.
