A LIFE UPSIDE DOWN

## Chapter: 1330

Lin Ziming naturally knew it was indecent, but he was also pressed into anxiousness, and he wouldn't do it at other times.

"Hey, you disciple, let me go!" Shangguan Shuyao cursed loudly, with obvious shame and panic in her tone.

She has grown up so much that she hasn't been treated like this before. It's too shameful.

Lin Ziming immediately let go of her, who knows if she will get worse after letting go, "I have warned you many times, and you forced me."

In a certain part of the yard, the military god Huangpu Road and Shangfeng Shangguan Wei'an had already risen. Through monitoring, they saw the situation in the yard and saw that Lin Ziming was holding Shangguan Shuyao's feet in his hand and hanging her. When I get up, the picture is very funny and indecent. Fortunately, Shangguan Shuyao was not wearing a skirt, otherwise it would be even more embarrassing.

The military god said: "Lin Ziming, this young man, is too much to treat Yaoyao like this."

Shangguan Wei'an snorted and said, "What's too much? That girl asked for it all by herself. Lin Ziming's temper is good!"

When the army god saw that Shangguan's stalwart was not angry with Lin Ziming, he was a little relieved and asked, "Should we go out now?"

Shangguan Wei'an shook his head and said: "Wait a minute, now Lin Ziming has finally come to treat this girl well, otherwise she thinks she is the number one in the world. This girl, last month, just because I told her how much Sentence, as a result, this girl, pulling out a few of my beard while I was sleeping, it hurts me so much!"

The military god was obviously taken aback when he heard this. He said that he felt that Shangguan's stalwart beard was a bit strange, and his feelings were pulled by his granddaughter.

He could fully imagine that the scene at that time, Shangguan Wei An must be furious, but there was no way.

The scene made him laugh.

Shangguan Wei An hummed: "This girl, today I can be regarded as meeting someone who can cure her!"

He said so, but between his eyebrows, he was still a little worried.

On Lin Ziming's side, after he lifted Shangguan Shuyao, he also had a headache. He would be angry if he was known by Shangguan Weian's granddaughter like this.

However, if things were not done and done, Lin Ziming did not regret it, and said in a deep voice: "You apologize to me, I will let you go."

Shangguan Wei'an was very stubborn and gritted his teeth and said: "Don't think about it, don't put me down for the rest of your life! You want me to apologize to you, Shangguan Shuyao, in the next life!"

When Lin Ziming heard this, he was absolutely sure that this girl was Shangfeng's granddaughter. But such a savage woman is really blinded by the name Shangguan Shuyao, she doesn't fit her at all.

"Then hang on it!" Lin Ziming's temper also came up. Anyway, his innocence is also an offense, and it's not too short of this point.

Shangguan Shuyao was hung in this way, her clothes were hanging down, revealing her belly, which made her feel even more embarrassed, struggling hard, resisting, but her strength compared with Lin Ziming's Not on one level.

So no matter how she struggled, it was still to no avail. She was now like a bat, hung from the eaves.

What's worse, now that she has been hanging for a while, her brain is filled with oxygen, making her face flushed, panting, "You let me go! This young master is going to fight you for three hundred rounds!"

Lin Ziming was amused by her, a girl who claimed to be a young master.
