

Chapter: 1331

“Apologize.” Lin Ziming said.

“Don’t think about it!” Shangguan Shuyao was very temperamental. She caught Lin Ziming’s foot and bit it directly.

Lin Ziming was bitten and couldn’t help barking out, “Hey, you are a dog!” Shangguan Shuyao didn’t have the slightest shame, but rather proud, he snorted and said: “This is the end of offending me Shangguan Shuyao, hey, I warn you, let me go quickly, otherwise I won’t be fruitful!”

Lin Ziming didn’t dare to kick her away, so he could only step back and avoid her dog teeth.

Lin Ziming also has a headache now. He is 100% sure that both the God of War and Shangfeng know about it, but they just don’t show up. This is to borrow his hand to teach this girl.

How could he hit this kind of thing, it’s really unlucky.

Another minute passed, and now Shangguan Shuyao became even more uncomfortable. Her face was so red that she even started to have tinnitus, and her speech was not as sharp at the beginning, but she still threatened Linzi fiercely. Ming, “You fellow, let me go quickly, if there is a kind of you let me go, hang me like this, what a hero!”

Shangguan Shuyao is getting more and more uncomfortable now, especially when she is hung like this, her belly is exposed a lot, even her breasts are a little loose, if this is loose, she will be exposed, how embarrassing!

“Let go, you can apologize.” Lin Ziming said.

Shangguan Shuyao was so angry that she was gnashing her teeth. She was so old that she never told anyone to be humble. Even if she pulled out the beard of grandfather Shangguan’s stalwart last month, it makes no sense. Let her and a subordinate Apologies, how could she be willing.

Because she yelled a bit loudly just now, plus, it’s too early now, and there are footsteps outside the compound. It sounds like more than one person...

When Shangguan Shuyao heard the footsteps, she panicked even more. It would be shameful if someone saw her like this!

And Lin Ziming frowned slightly, he was considering whether to let Shangguan Shuyao go.

“Don’t come in!” Shangguan Shuyao yelled toward the outside of the compound, but unfortunately because she had been reasoned for too long, even if she wanted to yell, she didn’t yell loudly. Instead, she choked herself. That’s very special. Embarrassed.

At this moment, the door was opened, Xie Boming and more than a dozen people walked in. Then, he saw the picture in the yard, and their eyes were widened, their faces full of consternation, and disbelief!

“this is.....”

The atmosphere suddenly became weird, and it stopped immediately.

And Lin Ziming was also very embarrassed. He was so embarrassed to hang a woman in this way, a master of the great congenital realm of great perfection.

As for Shangguan Shuyao, she became even more unbearable, screaming out: “Get out, get out of me!!!!”

Xie Boming and others shuddered involuntarily when they heard her voice. It was completely conditioned. They immediately withdrew, closed the door, and kept saying, “I don’t see anything, I don’t have anything. see.....”

Lin Ziming was speechless, so he didn’t see anything, did he see everything? He lowered his head and saw that Shangguan Shuyao’s face had turned into a monkey buttocks and was dripping blood, he shook his head, and didn’t bother to be familiar with this girl, “I can let you go, but you have to promise, don’t go crazy what.”
