

Chapter: 1333

Lin Ziming muttered to himself, with this girl here, how dare he stay to eat? Isn't it troublesome enough, but on the surface, he naturally wouldn't say that, but shook his head, smiled and said, "Eat I don't have to. I still have things waiting for me to deal with in Hwaseong."

Who is Huangpudao, you can naturally see Lin Ziming's thoughts, so he also didn't want to force him, nodded and said: "If this is the case, then I won't keep you."

He said hello to Shangguan Wei'an. Lin Ziming was about to leave. At this moment, Shangguan Shuyao, who had been silent for a while, said, "I want to go to Huacheng with you."

What the hell?

Lin Ziming suddenly felt his heart, and was startled. There were Huangpu Road and Shangguan Wei'an. He didn't dare to be presumptuous to this crazy girl, so he had to look at Shangguan Wei'an for help.

"Shangguan Shuyao, what are you talking nonsense, what are you doing with Instructor Lin to go to Huacheng!" Shangguan Wei An suddenly cursed with a calm face.

However, Shangguan Shuyao was not afraid of him at all, and straightened her neck and said: "He is a master, I want to follow him to practice, in Yandu, there is no meaning at all."

Isn't it right, because of her honorable status, no one in Yandu dared to offend her, and Lin Ziming was the first person who dared to scold her, or even dared to be rude to her. For her, this is very rare. Baby, how could she let it go!

Shangguan Wei'an said: "Hu Lai, Instructor Lin has important tasks. Wherever there is time to be crazy with you, you can stay in Yandu obediently for me!"

"I don't, I will go to Hwaseong with him today, and I heard that there are many great masters in Hwaseong, and this young master is going to meet them!" Shangguan Shuyao said tuggingly.

Lin Ziming's face is full of black lines, just you three-legged cat kung fu, who can beat him.

He directly clasped his fists and said: "Senior Military God, Shangfeng, since there is nothing wrong, then the subordinates will leave first!"

After that, he quickly turned around and left. If you really want him to take this crazy girl by his side, you don't have to be annoying.

But as soon as he left, Shangguan Shuyao immediately followed him, stuck to him, and said, "Don't want to leave me!"

Lin Ziming pretended not to hear her, and when he came out of the compound, he disappeared directly. He didn't believe it, and Shangguan Shuyao could catch up with him.

At this moment, Huangpudao opened his mouth and said, "Brother Shangguan, if Shuyao is by Lin Ziming's side, he might get exercise."

Shangguan Wei'an was taken aback for a moment, and his reaction was quick. From the eyes of Huangpu Road, he saw that he was serious, not joking.

So he immediately called Lin Ziming, "Instructor Lin, please stay."

Lin Ziming felt bitter, so he had to pretend that he didn't hear it, and continued to move forward.

Shangguan Wei'an was stunned again. He didn't expect that Lin Ziming would pretend not to hear him.

At this moment, Huangpu Road also spoke, "Instructor Lin, please stay a step."

Huangpu Dao said so loudly, Lin Ziming couldn't pretend that he couldn't hear it, otherwise he would lose face. He had to sigh in his heart and turned around and said, "Senior Military God, I don't know what else is going on?"

Huangpudao smiled and said: "Why don't you bring Shuyao, you should take her to have fun, by the way, give her some tricks."

Shangguan Wei'an nodded and agreed.

Where did Lin Ziming agree? He shook his head and said, "Senior Military God, it's not that I refuse to take Ms. Shangguan, but that the subordinates can't help themselves. There is a tigress in the house. If she finds out, I will take the women back. She will be crazy."
