

Chapter: 1336

“Yes, squad leader, he disobeyed the military order, aren't we going to take him down?”

When the six people in the fourth group heard this, the expressions on their faces were quite complicated. Looking at Lin Ziming, one of them said, “Instructor Lin, why are you back?”

This person is Tian Mingjie, who used to idolize Lin Ziming especially, and under Lin Ziming's teaching, his strength has also increased a lot. However, after that happened to Lin Ziming, his feelings for Lin Ziming became complicated.

It's not just him, the other five people are the same.

Lin Ziming could see it too. He said, “I'm looking for Director Peng when I'm back this time.”

Tian Mingjie thought for a while, and whispered to Lin Ziming: “Instructor Lin, I think you still don't want to come back. You are all wanted now, especially Xuanyuan No. 1 and Xuanyuan No. 2, if they know you are back, I will definitely arrest you.”

The other five soldiers looked at Lin Ziming with the same expression.

Lin Ziming smiled and said, “Don't worry about this. I have been charged with the crime. I came back this time to report to Chief Peng.”

“Ah? Really?” Tian Mingjie and the others couldn't help but get excited.

“Of course it is true. When did I lie to you?” Lin Ziming smiled.

“That's really great!”

With the assurance of Tian Mingjie and others, the few recruits dared not continue to stop Lin Ziming and let them go directly.

But as soon as Lin Ziming returned, the message spread from three places in Xuanyuan, and many people ran out. When they saw Lin Ziming really appeared, they were shocked.

“I'm not mistaken, it's really Instructor Lin who is back!”

“But isn't Instructor Lin already dead? How can I come back?”

“Let me just say, someone like Lin Ziming must not die that easily, you still don't believe it.”

“Hmph, even if he comes back, what will happen? Do you think he could escape the military law! He disobeyed the military order and even swallowed the colorful origin fruit. It's okay if he doesn't come back. Now that he comes back, he must go to a military court! When the time comes, what will be waiting for him is a life-long prison!”

Everyone was discussing in full swing, and Lin Ziming's return made the three places of Xuanyuan, which were originally stagnant water, alive again. Soon, this message also reached Sun Liang, Zhao Xia and other senior executives. When they heard it, they were shocked and immediately put down their work and walked out.

When they came out and saw Lin Ziming, they were also stunned, not knowing what to say for a while.

On the contrary, Lin Ziming appeared generous and greeted him proactively, “Director Sun, Instructor Zhao, long time no see.”

“Instructor Lin, you...” Sun Liang came back to his senses, looked at Lin Ziming, and said, “Why are you back?”

Lin Ziming heard that Sun Liang’s overtone was saying that he shouldn’t come back.

Zhao Xia had the same reaction, their feelings towards Lin Ziming were quite complicated.

“Why, I’m a member of Xuanyuan No. 3, can’t I come back?” Lin Ziming said teasingly.

Sun Liang looked at him and said gravely: “You come back, but you have to go to a military court. The lightest sentence will be imprisonment for fifty years.”
