

Chapter: 1337

Lin Ziming laughed loudly.

Everyone frowned and looked at him, wondering why he could still laugh. Is this a provocation, or is he crazy.

Zhao Xia said in a deep voice: "Instructor Lin, you are now a sinner and wanted nationwide. You shouldn't be here because we are going to arrest you."

As his words fell, everyone present began to move, forming a circle of Lin Ziming, and they wanted to attack Lin Ziming at any time and arrest Lin Ziming!

Even Sun Liang, he has a very heavy expression now, even if he is optimistic about Lin Ziming, there is no room for discussion on this matter. According to the duties of a soldier, he wants to arrest Lin Ziming!

Sent to a military court to stand trial.

Tian Mingjie and the others were stunned when they saw this situation. He quickly said, "What are you doing? Instructor Lin said that he has already been charged, and you can't arrest him!"

Sun Liang shook his head and said, "I haven't received an order from Shangfeng. Lin Ziming is still a sinner now."

Zhao Xia said: "Instructor Lin, I want to share with your colleagues. We don't want to fight with you in the same room. You can arrest yourself. In the military court, we will try our best to intercede for you."

Now the entire three places of Xuanyuan have come out, forming a huge encirclement. Lin Ziming is surrounded by three levels inside and three levels outside. The water is blocked. Everyone has a gun in his hand. No matter how powerful Lin Ziming is, it will be difficult to fly!

Seeing this situation, Lin Ziming did not have much surprise. It was in his expectation and verified his idea. Although the military god and Shangfeng had let him go, the test should still be some.

Lin Ziming looked at them and said, "I have already seen the God of War and Shangfeng. Now I am not a sinner. Have you received any orders?"

When these words were said, Sun Liang and Zhao Xia were obviously taken aback, and the others also had the same surprised expressions. Instructor Lin actually went to see Wenshen and Shangfeng? Especially the army god, that is the Dinghai Shenzhen of China, the idol of the three armies, they can't see it once they want to meet!

"Instructor Lin, are you a lie? Have you already seen the God of War and Shangfeng?" Sun Liang said in disbelief. He knew very well what level the God of War is, and not everyone can see it! Besides, Lin Ziming is a sinner! Lin Ziming didn't bother to go round and round, and directly told what happened that day, indicating that he had been acquitted of the crime.

This matter was very subversive to them, but after Lin Ziming's explanation,

they believed for the time being that Sun Liang immediately called his superiors and reported Lin Ziming's return to verify whether it was true.

In a short while, after he got the verification, the big stone in his heart soon let go.

Lin Ziming didn't lie, and he has really been acquitted of the crime. This is really great!

Not long after, Director Peng Zhuo also returned. He was extremely happy when he knew the news of Lin Ziming's return.

Especially when he learned that Lin Ziming was the military god and Shangfeng he had met directly, he was even more surprised. The eyes that looked at Lin Ziming also had some different colors!

“What? Lin Ziming returned to three places in Xuanyuan?!”

How long did they receive this message at Xuanyuan No.2, and their senior officials expressed their anger.

Especially Zhong Tao and Luo Hongyang, even more fierce in their eyes, gritted their teeth, they hated Lin Ziming!

They originally thought that Lin Ziming was dead, but they did not think that they would dare to come back swayingly, and the most damning thing was that there was no way to arrest Lin Ziming in Xuanyuan's three places!
