

## Chapter: 1348

At this moment, Lin Ziming's momentum was released, covering the audience, completely overwhelming Fan Zhengping.

Fan Zhengping frowned, he had a bad feeling in his heart, if Lin Ziming really wanted to embarrass him, he really had no way of doing it.

Now that he was injured, his combat power was less than half, and Lin Ziming only consumed some physical strength, really tore his face, and it was him who would suffer by that time.

Zhong Tao got Fan Zhengping's wink, he immediately stood up and shouted loudly: "Lin Ziming, you are young and ambitious, and you need to take an inch! Fan is broad-minded, just click and stop, let you take one step, you think Did you win? I tell you that you committed a heinous crime. When Shangfeng orders it, you will only have a dead end!"

Lin Ziming glared at him and said a noise, then his body moved and rushed towards Zhong Tao.

This time, it was Thunder Wanjun, almost instantly in front of Zhong Tao.

In an instant, Zhong Tao felt that the sky was about to collapse, and an unprecedented sense of crisis emerged in his heart. He immediately panicked and shouted, "Lin Ziming, do you dare..."

However, he didn't even finish what he said, so he snapped, Lin Ziming slapped him on the face, slapped him in the face, knocked him out, flipped somersaults in the air, and waited for him to fall off. At that time, half of his face was swollen, and one tooth was broken.

"What kind of ant are you, you dare to yell at me?" Lin Ziming said coldly.

The audience was silent again.

Lin Ziming's shot this time deeply shocked them again.

Too overbearing and too powerful.

You know, Zhong Tao is not a little fish or shrimp, but a super master of the fourth stage of the Innate Realm. How many people have to rely on him, but now, Lin Ziming slapped him and slapped him with no power to fight back. . Even the people in the third place of Xuanyuan, looking at Lin Ziming now, are a little more afraid. This instructor Lin is too terrifying.

Zhong Tao only felt that half of his face was missing. It was no longer a hot pain, but a heart-wrenching pain!

Especially, half of his teeth were knocked out, and a mouthful of blood.

He raised his head to look at Lin Ziming, and when he came into contact with Lin Ziming's cold and mocking eyes, he persuaded him, and had a deep fear of Lin Ziming.

Lin Ziming looked at Luo Hongyang and the others, without exception, when they touched Lin Ziming's gaze, they couldn't help shaking and lowered their heads in a panic.

When Fan Zhengping saw this situation, he was also very big now. Lin

Ziming was out of his strength and dominance. Now he lost his wife and broke down, making it difficult to ride a tiger.

“I let you go?” However, just after he took two steps, Lin Ziming’s voice came from behind him, his tone full of majesty and teasing.

Fan Zhengping stopped, staring at Lin Ziming, and said, “Lin Ziming, I warn you, don’t play with fire!”

“Playing with fire?” Lin Ziming smiled contemptuously, “I want to play with it, and see what you can do.”

With that, Lin Ziming walked towards Fan Zhengping, his gaze fixed on Fan Zhengping.

Fan Zhengping panicked, he immediately said in a deep voice, “Lin Ziming, what do you want to do!”

“Apologize, to all the people in the third place of Xuanyuan.”
