

Chapter: 1354

“Han Ruxin is my classmate, you are not allowed to trouble her in the future.”

“Understand!” Chen Liqiang nodded like a chicken pecking at rice.

Lin Ziming didn't bother to be familiar with such a small person. He withdrew from the box and said to Han Ruxin: “Okay, it's something wrong, you let me go.”

Where did Han Ruxin still have strength? Jiujin came up completely, she was already drunk and unconscious.

Sleeping directly in Lin Ziming's arms, Lin Ziming frowned. This situation really made him feel difficult.

He didn't know where Han Ruxin's home was. After thinking about it, he still temporarily sent Han Ruxin to the hotel to rest.

After sending Han Ruxin to the hotel, Lin Ziming was about to leave, Han Ruxin suddenly vomited out, and his clothes were dirty, making him frown.

“I don't want to betray my body, I don't want to betray my dignity... Why are you bullying me...” Han Ruxin muttered in her sleep, her expression in pain.

Now that Lin Ziming saw her like this, he also sighed. To tell the truth, he didn't have much dislike for Han Ruxin, and more just felt pity and disappointment. Before, a simple little girl was polluted by society. such.

However, Han Ruxin's performance tonight still made him feel a little bit more favored. At least Han Ruxin has betrayed himself, and he is still saved.

He clicked acupuncture points on Han Ruxin to make Han Ruxin feel better.

And now his clothes are soiled, which is a bit troublesome.

Just when he was about to leave, Han Ruxin woke up and grabbed his clothes, “Ziming, is that you? Don't leave me.”

Lin Ziming looked back and saw Han Ruxin's pitiful look, and he sympathized with her, “You drink too much, so get a good night's sleep.”

After Han Ruxin vomited, she felt better now, and her mind was clear, but her body was still so hot. Thinking of Lin Ziming's performance just now, her heartbeat was very fast, and her body was very sensitive and emotional.

“Ziming, what happened last time, I'm sorry, I'm too shameless.” Han Ruxin bit her lip tightly, she stood up, bowed deeply to Lin Ziming, and apologized to Lin Ziming.

Her clothes were loose, two buttons were unbuttoned, and now she bowed, and the spring light on her chest was exposed, making Lin Ziming's heart beat faster as she watched, and she quickly looked away.

Han Ruxin was his former class flower, and the two of them had been ambiguous for a while. Under these circumstances, it would be impossible for Lin Ziming to say that he didn't feel a little bit.

“Nothing, I have forgotten it.” Lin Ziming said.

Han Ruxin noticed Lin Ziming's strangeness, and some surprises flashed in her eyes. Lin Ziming's performance just now was obviously interested in her! If she takes the initiative and can take Lin Ziming down, then she won't have to worry for the rest of her life.

Once a powerful man like Lin Ziming is conquered, he will definitely have a sense of accomplishment.

Thinking of this, Han Ruxin's heart suddenly became enthusiastic.

She walked to Lin Ziming and said in a sexy tone: "Ziming, thank you for your appearance tonight, otherwise, I will be defiled by the brute Chen Liqiang, thank you very much!"

Lin Ziming took two steps back, kept a distance from her, smiled and said, "With a little effort, you don't need to take it too seriously."

"It's a simple task for you, but for me, it's a great kindness!" Han Ruxin stared straight at Lin Ziming, blushing and said, "Ziming, I like you, you can stay tonight. , Let me repay you well, okay?"
