

Chapter: 1355

Lin Ziming is not stupid, he naturally knows what Han Ruxin means, nothing more than a promise by his body.

There is one thing to say, Han Ruxin is the best choice in terms of appearance and figure, with infinite charm and alluring to men in some ways. Lin Ziming is a normal man, as instinct, he will definitely be touched, but it doesn't mean that he will be chaotic.

"You are drunk, take a good rest." Lin Ziming said lightly, refusing.

Han Ruxin said seriously: "I'm not drunk, I am so sober now! Ziming, I really like you, what happened last time, I was wrong, but you have to understand me, because I have been I can't let go of you, I just want to get your attention if I can't let go of you. I don't really want to humiliate you."

Han Ruxin tugged at her clothes with a shy expression. It would be a little tempting to be more tempting.

Lin Ziming's eyes are getting colder and colder. Who is he, Han Ruxin's pretense is not obvious, he originally had a good impression of Han Ruxin, but now, his good impression has disappeared again.

"Han Ruxin, you disappoint me."

"Ziming, I..." Han Ruxin caught Lin Ziming's eyes and panicked immediately. She didn't understand what she had done wrong. How did Lin Ziming feel unhappy? In her opinion, there are no cats that do not steal fishy in the world, and she is so proactive, Lin Ziming will definitely follow her way.

Lin Ziming didn't pay attention to her anymore, so he turned around and left. Han Ruxin couldn't figure it out until Lin Ziming left, very annoyed that she hadn't done a good job.

Coming out of the hotel, Lin Ziming let out a sigh of relief, shook his head helplessly, and went home.

The time flickered and another week passed. During this week, Shangfeng issued an order to get rid of Lin Ziming's charges, and personally confessed Lin Ziming's order to become the chief instructor of Xuanyuan III, and his military rank went directly to the rank of lieutenant. do not.

As soon as this message came out, many people were immediately shocked! You know, Lin Ziming disobeyed, and even swallowed the colorful origin fruit. This is a serious crime!

Everyone thought that Lin Ziming was definitely dead this time, and that he would have to endure at least fifty years of imprisonment, but as a result, Lin Ziming didn't have any punishment, so it passed? In addition, he was promoted, and directly mentioned the school lieutenant!

In this way, no one dared to despise Lin Ziming anymore.

However, Zhong Tao and others shuddered even more, shivering.

In this regard, Lin Ziming is not too proud of it, because he knows that there

are no free lunches in the world, and that Shangfeng is not accountable to him, so he can directly appoint him as the school lieutenant, then it must be useful to him. Moreover, there must be no small difficulty.

Now that China is taking off, it has encountered obstacles and even hostility from many foreign forces, and the difficulties it faces are also great.

Lin Ziming has been prepared for a long time, but he doesn't have too many ideas. Anyway, as a Chinese, he will certainly not sit on the sidelines where his motherland can use him. As the saying goes, the greater the ability, the greater the responsibility. Lin Ziming knew this truth for a long time, so he can only advance now, not retreat.

After a week of practice, he is now stronger and stronger. He feels that he is closer to King Kong's not bad. Maybe it will not take a year before he can successfully break through!

As for Chu Fei, she is now in the first stage of the Innate Realm. Under Lin Ziming's training, her strength has also improved a lot. An acquired peak, besieged together, is not her opponent.

This relieved Lin Ziming a lot.
